Notice

The One Hundred and thirty-second Session of the Diocesan Synod of Fredericton will convene on Saturday, 09 November 2013 at 9:00 a.m. at [Kingswood University](#), Sussex.

Membership

The Credentials Committee advises that it is important for those who intend to exercise membership of the Synod confirm that their name appears on either the list of licensed clergy or elected lay delegates. **PLEASE REFER TO SECTION B.** Those who feel the lists are in error need to take steps, prior to registration on the day of Synod, to clarify their status. Clergy not listed should contact the Bishop's Secretary prior to registration and lay delegates not listed should assure the completion of the [form of Certification of a Synod Delegate](#) prior to attempting to register.

Convening Circular

If lay delegates are unable to attend the session of synod, this circular must be passed to the substitute from the same parish attending in their place.

Please become as familiar as possible with the contents of the circular and bring it to the meeting of Synod. Additional copies will not be available.

Some members may prefer to bring a digital version of the circular that is available on the [Synod 2013 web page](#).

Other Information

Please visit anglican.nb.ca/synod/2013 for additional up to date information or to contact members of the Synod Sessional Committees. The Secretary of Synod is available to answer your questions or direct you to someone who can.

Prayer for Synod

For this Synod

Come, Father almighty! Open our minds to see your way, believe in your word, and know you. Come, Lord Jesus Saviour! Open our lips to speak your truth, proclaim the word, and praise you. Come, O Holy Spirit! Open our hearts to feel your life, to act on the word, and love you. Father, Son and Holy Spirit, prepare us for your blessing; guide our Synod, and bless the Church of the Diocese of Fredericton that we may radiate hope, for you are one God living and true, now and forever.

A Prayer attributed to Sir Francis Drake

Disturb us, Lord, when we are too well pleased with ourselves, when our dreams have become true because we dreamed too little, when we arrive safely because we sailed too close to the shore.

Disturb us, Lord, when with the abundance of things we possess, we have lost our thirst for the waters of life; having fallen in love with life, we have ceased to dream of eternity, and in our efforts to build a new earth, we have allowed our vision of heaven to dim.

Disturb us, Lord, to dare more boldly, to venture on wider seas, where storms will show your mastery; where losing sight of land, we shall find the stars. We ask you to push back the horizons of our hopes, and to guide us into the future in strength, courage, hope and love. Spirit of God, disturb, renew, encourage and guide us day by day.

For the ministry of the Church

Almighty God, the giver of all good gifts, in your divine providence you have appointed various orders in your Church. Give your grace, we humbly pray, to all who are (now) called to any office and ministry for your people; and so fill them with the truth of your doctrine and clothe them with holiness of life, that they may faithfully serve before you, to the glory of your great name and for the benefit of your holy Church; through Jesus Christ our Lord, who lives and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

In memorial

God of the spirits of all flesh, we praise and magnify your holy name for all your servants who have finished their course in faith and fear, especially those past members of Diocesan Synod ... [*silence*]; ... and we ask that encouraged by their examples and strengthened by their fellowship, we with them may share in the inheritance of the saints in light; through the merits of your Son Jesus Christ our Lord.

Eternal rest grant to them, O Lord,

R. **And let perpetual light shine upon them.**

May they rest in peace.

R. **Amen.**

CLERGY REPORTS

Canon Six (b) requires all clergy having a cure of souls, to "deliver to the Bishop at each regular meeting of the Synod a report of the work done in the parish since the previous regular meeting of the Synod."

The Bishop requests that the report be a personal assessment of the ministry implemented and of the plans for the future which are being considered. This means the report should not be in the form of the annual statistical returns or the rector's annual report to the congregation.

Clergy please have these reports ready for presentation when they are called for at Synod.

ATTENDANCE

All parish corporations may elect up to 3 delegates (and their substitutes) to Synod and are urged to ensure parish representation is as large as is allowed. Every parish is encouraged to make its full contribution to the work of the Diocese through the Synod.

RESPONSIBILITIES OF A MEMBER OF SYNOD

Lay Delegates to Diocesan Synod elected by parishes have responsibilities to the Diocese and to the parish until they are replaced at a subsequent annual meeting of parishioners according to [the Constitution](#), s. 4. All Clergy licensed in the Diocese are members of Synod.

- (1) Lay delegates, although elected by the parish, are “members” of Diocesan Synod and responsible to it when in session.
- (2) Synod members, when Synod is in session, act and vote as members according to their conscience and Christian understanding.
- (3) Synod members have the responsibility of reporting and explaining the action of Synod in a positive way at the parish level.
- (4) Synod members need to be familiar with the life of the Church at the parish level to guide their discussion at Synod and on committees at Synod, and be familiar with the structures of the Diocese so as to facilitate understanding at the local level.
- (5) Prior to any meeting of Synod, synod delegates will familiarize themselves with the agenda and any material pertaining to the said Synod.
- (6) Synod members should give leadership and accept election and/or appointment to Diocesan committees.
- (7) Synod members shall attend Archdeaconry Greater Chapter meetings when called by the Archdeacon.
- (8) Synod members are expected to promote the work of the Church at the parish, diocesan, and national level, as well as overseas.

- 9(2) In voting, those who vote in the affirmative shall so signify first, and then those who vote in the negative.
- 9(3) If there is an equality of votes, either of the Synod voting collectively or in the votes of either the clergy or the lay members taken separately, the Chair shall declare the question to have been decided in the negative.
- 9(4) A question once determined shall not again be drawn into discussion at the same meeting of the Synod without the permission of the Chair.

Suspension of the Rules of Order

- 10 A motion to suspend a Rule of Order and Procedure shall take precedence over all other motions, shall be decided without debate, and to be carried requires the affirmative votes of two-thirds of the members present.

Unprovided Cases

- 11 When a question of order is not covered by these Rules, the Chair may refer to Kerr and King's *Procedures for Meetings and Organizations* for guidance.

PART II - MEMBERSHIP IN THE PROVINCIAL AND GENERAL SYNODS

- 12(5) If there are no members of the Diocesan Synod who will be younger than 26 years when the Provincial Synod or the General Synod meets, or if both the youth member and the substitute are ineligible or unable to attend a session of the Provincial Synod or the General Synod, the Diocesan Council shall elect or appoint a youth member who need not be a member of the Diocesan Synod.
- 12(6) Members of the Provincial and General Synods and substitutes shall be elected by ballot of all members of the Synod.
- 12(7) The nominees receiving the greatest numbers of votes to the number required to be elected shall be the members, and those receiving the next greater numbers of votes shall be the substitutes.
- 12(8) Tie votes shall be resolved as provided in subsection 3(8).

Vacancies

- 13 If a member of the Provincial Synod or the General Synod resigns as such or ceases to be a member of the Synod or a substitute member, or if a youth member attains the age of 26 years before the meeting of the Provincial Synod or the General Synod, the place of that member shall be taken by the substitute next in order of election.

Term of Office

- 14(1) Members of the Provincial and General Synods take office when they are elected unless the Synod by resolution fixes a later date for the taking of office.

PART III - ENACTING AND AMENDING CANONS

- 15(2) A notice of intention to propose the adoption, amendment, repeal or suspension of a Canon shall contain the proposal in full.
- 15(3) The Secretary of the Synod shall include every notice of intention to propose the adoption, amendment, repeal or suspension of a Canon in the notice of the meeting of the Synod at which it is to be considered.
- 15(4) A motion to adopt, amend, repeal or suspend an existing Canon, to be carried, requires
- (a) the affirmative votes of two-thirds of the clergy members and two-thirds of the lay members of the Synod present and voting at the meeting at which it is considered, and
 - (b) the Bishop's approval.
- 15(5) If a motion to adopt, amend, repeal or suspend a Canon does not receive the majorities required by subsection (4) but receives a simple majority of the votes of each order, it may be voted on again at the next regular meeting of the Synod when it may be adopted by
- (a) the affirmative votes of a majority of the clergy members and a majority of the lay members of the Synod present and voting at the meeting at which it is considered, and
 - (b) the Bishop's approval.
- 15(6) The Bishop's approval of the adoption, amendment, repeal or suspension of a Canon shall be signified at the meeting of the Synod at which it is adopted by the required majorities; but if the Bishop is absent or there is a vacancy in the office of bishop the adoption, amendment, repeal or suspension of a canon shall await the pleasure of the Bishop.

WORSHIP AND MEDITATION TIME

In preparation for worship, the Dean, with the help of Dr. Willis Noble (Organist and Choirmaster at Christ Church Cathedral), led members of Synod in practising part of the *Gloria Mass* by Ruth Fazal. The Synod Service is to be celebrated at Christ Church Cathedral Friday evening.

The Dean offered an explanation of the meditation times which will include the Chaplain's message, a period of silence and music.

The Dean also indicated a Holy Eucharist (BCP) would be celebrated in the Bicentennial Ballroom at 7:00 a.m. Saturday morning. This service will be led by the Venerable Richard McConnell.

CHAPLAIN'S MEDITATION

Bishop Cyrus Pitman read John 3:1-17. He followed the reading by reminding members of Synod of the five goals of the previous Synod: to proclaim, to teach, to respond, to seek and to strive. He stressed that we are called to be more than CEOs and managers of the faith but rather to live out our baptismal promises. He invited us to celebrate our first fruits. In an analogy of renovation, Bishop Pitman said one first needs to learn how far back to strip the wood; and, with the work done in the Diocese in the past two years, we have been stripping back and changing the structures. The trick is now to discover whether everything was stripped back far enough in order to fulfill the goals we set upon ourselves. Like Nicodemus, we are not satisfied with the way things are. We come to our Lord and ask how can we make things better. The meditation was followed by the song 'He is Lord', a period of silence and prayer.

In the registration package, members can find the Provincial Synod Ballot (pink) and the General Synod Ballot (green). Nominations from the floor will be taken at 9:00 a.m. Saturday.

After viewing the video, a warm appreciation for it was extended by applause.

MOTIONS

Embryonic Stem Cell Research

WHEREAS

Recognizing that:

- (1) minimal effect can be expected (or real difference made) by further study of the issue of embryonic stem cell research at the diocesan level, and
- (2) resources for such study are limited and,
- (3) our Bishop having reminded us that the Anglican Church and this diocese have a stated position on the issue of the abortion of a human fetus, and
- (4) the Diocesan Council has accordingly recommended that the following motion be put to the Synod.

Motion 131-07 - Vicars Hodge / David Barrett

Being thankful that the important ethical issues surrounding the topic of embryonic stem cell research have been brought to the attention of the Church in the Diocese of Fredericton, and at the same time mindful of the depth of complexity of the topic, this Synod reaffirms the existing position of the Anglican Church (echoing that of the Anglican Communion) on the sacred nature of all life.

Amendment 131-07a - Sherman Bastarache / Donna Baker

That the following sentence be added "This reaffirmation expresses no opinion on the issue of research involving stem cells from embryos which have died naturally."

This amendment was carried.

The amended motion now reads:

Motion 131-07

It is moved that being thankful that the important ethical issues surrounding the topic of embryonic stem cell research have been brought to the attention of the Church in the Diocese of Fredericton, and at the same time mindful of the depth of complexity of the topic, this Synod reaffirms the existing position of the Anglican Church (echoing that of the Anglican Communion) on the sacred nature of all life. This reaffirmation expresses no opinion on the issue of research involving stem cells from embryos which have died naturally.

The amended Motion 131-07 was carried.

The Anglican Covenant

WHEREAS

The Anglican Covenant has been drafted and placed before the Provinces and Dioceses of the Anglican Communion in the hope of strengthening the ties that bind us together in Christ. The Archbishop of Canterbury is among the many Communion leaders who are convinced that what is decided with respect to the Covenant will have important long-term consequences for the whole Communion. Furthermore, it is clear that Synod will make a decision with respect to this Covenant, either by acting or by refraining from acting. Since we will make a decision one way or another, the question is whether it will be an informed one, therefore,

Motion 131-08 - Ranall Ingalls / Shara Golden

In order that our response as a Diocese to the Anglican Covenant be an informed one, this Synod asks the clergy, synod delegates and Parishes to study carefully and systematically the Draft Anglican Covenant with the best aids and commentary that can be found in preparation for the next Synod.

This motion was carried.

Greater Chapter Effectiveness

WHEREAS

Diocesan Council is obliged by Part 4: Archdeaconry Greater Chapters of Regulation 4-1: Regional Governance to review the effectiveness of Archdeaconry Greater Chapters annually,

AND WHEREAS

the effectiveness of Archdeaconry Greater Chapters in transforming the church and in serving "as a vehicle for communication among parishes, among deaneries and Archdeaconries, between parish and Diocese as well as among all baptized Christians" would be strengthened by greater procedural accessibility,

Motion 131- 09 - David Bell / Lawrence Carpenter

**This Synod recommends that Diocesan Council require as follows:
Whenever an Archdeaconry Greater Chapter is to be convened the following procedure shall be followed as far as practicable:**

- (a) the notice of meeting shall solicit suggested agenda items;**
- (b) a draft agenda shall be circulated or otherwise made available at least seven days prior to the meeting.**

This motion was carried.

Award of Merit

The Archbishop, assisted by the Right Reverend William Hockin and the Right Reverend George Lemmon, presented Phyllis Cathcart with the Bishop's Award of Merit. Phyllis has ably served four bishops as Executive Secretary. She has always showed grace and dignity in her work and has blessed the Diocesan Bishop with clarity and focus, her excellent knowledge, her faithfulness and her gift of friendship. This honour recognizes her dedication to her work for the Bishop and for the whole Diocese. A note was also received from the Most Reverend Harold Nutter which echoed the sentiments of the three Bishops present.

Those in attendance expressed their thanks to Phyllis with a resounding standing ovation.

The worship service was followed with a time of fellowship at the Cathedral Hall.

CHAPLAIN'S MEDITATION

Acts 1:6-8

This Scripture speaks to the mission we are all engaged in. It speaks to the shape of the mission. It reminds us of the universal mission. Jerusalem was the centre of teaching, of gathering - a place where many things happened. Ministry comes from the centre and is carried out of the centre to its outer edges with the help of the Holy Spirit. Samaria reminds us of the difficult places, the challenging areas of ministry - places we sometimes want to avoid. One of the goals of the Nicodemus Project is to relearn what it means to be a Christian and an Anglican. Anglicanism is not the only way, but it is the way we are called, within the Church, to exercise our Christian ministry. As Anglicans, we are known for walking with people; we do not leave those on the outer edges alone to fend for themselves. In relearning who we are, we celebrate what we have to offer. A sign in one of the original communities in Labrador says it all: "Before the children go to sleep, we the grandparents tell the stories - places where we have been and all the spiritual things." The Chaplain closed with a reminder that the centre is not just the See City of the Diocese, the centre is in all areas of ministry. The meditation was followed with the song 'O Lord My God' and a period of silence, concluded with prayer.

ATLANTIC SCHOOL OF THEOLOGY

The Reverend Dr Jody Clarke, Academic Dean and Chair of the Anglican Faculty at Atlantic School of Theology, thanked Synod for the opportunity to speak. He mentioned his appreciation for what the Diocese was trying to achieve with the Nicodemus Project.

Dr. Clarke indicated there are two degree programs being offered at AST - the Master of Divinity and the Master of Arts in Theology. He stressed the following points:

- The Diocese of Fredericton is one of the founding parties of AST and holds seats on the Senate and the Board of Governors of the School.
- In August 2011, the Reverend Debra Burleson was appointed Anglican Formation Director. She makes sure a balance of both worship books are used, studied and experienced.
- The theological students from the Diocese of Fredericton are doing very well, one being the president of the Student Union.
- AST does not teach Parish Palliative Care; but rather teaches how to get parishes to thrive in a modern world. Studies show the first reason people attend church is that they are asked and the reason they stay is the need to belong to a community.
- If the Church is to flourish, AST needs the best students. He explained this meant that members of Synod should look at who has a passion for ministry in their parishes and to seek/test whether these people are called to ordained ministry. If so, encourage them to enroll at AST.
- The recent Association of Theological Schools report shows AST and its students scored higher than the average in terms of positive experiences at the School.
- Lastly, he invited members of Synod to watch a video presentation on the School which was created with the help of Mauritz Erhard, Director of Advancement.

CHAPLAIN GENERAL

Brigadier-General Karl McLean brought the greetings of the Chief of Defence and of the Right Reverend Peter Coffin (Anglican Bishop Ordinary). He spoke on his 24 years of service to ministry in the military and how he enjoys working in this ecumenical setting. He put

forward a request that reserve chaplains are always needed on a part time basis. His challenge to Synod was that the Canadian Population is not going down; therefore the need to share the optimism of the Gospel is stronger than ever.

NICODEMUS SURVEY RESULTS

Jim Morell explained this survey completed the review process alongside the video and the power point presentation on the Nicodemus. The questions asked provided important information. He felt the results were generally optimistic. A word of thanks was extended to his son, James for his help in tabulating the results.

Synod was then invited to have a table discussion looking at two questions.

1. From the three presentations, what jumps out at you regarding our progress?
2. What should be our shared action priorities 2011-2013?
 - at the parish level
 - at the Diocesan level

The Nutrition Break was rolled into these discussions (20 minutes).

Following the discussions, a small number of tables reported to Synod. However, Mr. Morell gathered all the table reports in order to get an overview of what Synod members had shared.

CAMPS

Elizabeth Harding gave an update on both Diocesan Camps, Brookwood and Medley. She reiterated her passion for this ministry even after 39 years and stated the challenges are always exciting. She shared her encouragement in the increasing number of campers and that together with an able staff, she continues to work towards the mission of the camps. A big vote of thanks was extended for the help and support Camp Ministry receives from the whole Diocese.

BIBLE STUDY

The Venerable David Edwards read John 15:1-8. From this, he spoke on the concept of fruitfulness where we are called to bring the best gifts to God - from our first fruits - and we are to do so with love. The following questions were offered for discussion at the tables:

- What are the signs of the Year of the Lord's favour in your congregation/community?
- What does fruitfulness mean in your life/congregation/community?
- What are the implications of verse 5?
- Why is love central to the life of the vine?
- How do we show love in our congregation/community?
- What does fruitfulness in your life/congregation/community look like? How is it bringing glory to God?
- What are the implications of not remaining in the vine (verses 2 and 6)?

The discussion was brought to a close with prayer.

NOON DAY PRAYERS

The Synod Chaplain offered prayers and a blessing for the meal.

CHAPLAIN'S MEDITATION

Synod was brought back to order with the Chaplain's final meditation which began with the song "In Christ Alone". The Chaplain continued to draw on John 15 where he said it is impossible to be fruitful if we are not connected to the vine and that sometimes pruning is

essential in order to promote growth. Bishop Pitman supported this point using an analogy of growing tomato plants. He said there are 'Good Shepherd Churches' and 'Little Bo Beep Churches' - one cares for the sheep, the other loses sheep. The Diocese of Fredericton is serious about growing Good Shepherd Churches - churches that remain under construction, renewing themselves.

The Chaplain then used John 20 as a reference to remind members that we have to leave this place and go to our own 'Galilee' to see and to find Jesus. A pilot focusses on the instruments of the aeroplane and listens to the instructions of the tower. Likewise, a Christian focusses on the instruments of the faith (Cross, Bible, Sacraments) and also listens for the voice of God. The meditation was followed by silence and prayer.

Expression of thanks

The Archbishop offered thanks to Bishop Pitman on behalf of all Synod members for his presence and wise words and presented him with a gift of appreciation.

PARISH DEVELOPMENT OFFICER

The Venerable David Edwards spoke on his new role as Parish Development Officer. He will tackle three questions: Where are we? How are we responding? Where does the Parish Development Officer fit in? These are three questions which each parish can ask themselves. We must begin by knowing who we are. The position is not to provide all the answers to the issues; rather the position is to help parishes think through the process and come up with answers.

MOTIONS

Church Planting

131-11 - Vicars Hodge / Michael Caines

That this Synod affirm, and refer to the Bishop and Diocesan Council for implementation, the report and recommendations of the "Church Planting Report" of the Diocesan Council Mission Outreach Committee, subject to available funding as identified by the Bishop and Diocesan Council.

(Convening Circular Section G, pages 1-11)

Motion carried.

Church Building Closure Resource

WHEREAS

There have been a number of church building deconsecrations in recent years and guidelines/assistance for parishes seeking guidance in such cases are limited and a deconsecration and the subsequent disposal of the building is a stressful, emotional and difficult time for all involved.

131-12 - John Cathcart / Patricia Drummond

The Bishop authorize establishment of a team of people that will produce, by the next regular diocesan synod, a document that will assist incumbents and church wardens with the process of church building closure from the beginning of the process to its conclusion. Such a document should include:

- 1. Guidelines to assist parishes in making the decision to close a church building. These may include viability criteria and reference to 'big picture' thinking for ministry that may be provided by the Diocese in that area;**
- 2. Information with references regarding canons, policies and guidelines already in place to deal with this issue;**

3. **A checklist of items that will need to be addressed (cf, the Diocese of Toronto's Church Closing Checklist);**
 4. **Suggestions as to best practices in regard to a service of thanksgiving and deconsecration;**
 5. **A list of available resources that offer pastoral help in such situations (eg. The Alban Institute publication *Ending with Hope: Resource for Closing Congregations*, edited by Beth Ann Gaede); and**
 6. **Guidelines and resources available should the best option be demolition of the church building.**
- Establishment of this group would be subject to available funding.**

This motion was carried.

Scheduling of Synods

WHEREAS

The cost of hosting a Synod is a significant expenditure to the Diocese. Notice is hereby given that at Synod 2013, it will be moved:

131-13 - Rod Langis / Betty Kennett

That section 5 of the Constitution be amended by adding immediately after subsection 5(1) the following:

5(1.1) Notwithstanding subsection (1), The Diocesan Council may, with the approval of the Bishop, extend the time for holding a meeting of Synod to the third year following the last meeting of the Synod.

The Chancellor explained this notice in non debatable and serves as a notice of motion for the next Synod where it will be listed as the first one in the Convening Circular.

PARISH RETURNS

WHEREAS

The Diocesan Information Management System (DIMS) is in place to effectively maintain accurate real-time profile information for clergy and lay people, and to provide a method for capturing and reporting annual statistical information,
AND WHEREAS

Parishes are required to complete an annual statistical return, per Canon 5.7, Record Management Functions.

131-14 - Ann Fairweather / Chris Hayes

The issue of incomplete data in DIMS be referred to Diocesan Council for review and corrective action, subject to available funding as identified by the Bishop and Diocesan Council.

Motion carried.

BISHOP MATTHIAS MEDADUES-BADOHU

The Right Reverend Matthias Bedadues-Badohu began by offering greetings from the Diocese of Ho (Ghana). He offered thanks for the wonderful companionship that is building between Ho and Fredericton and his prayer is that the relationship and friendship would continue beyond the 5 years (which concludes next year). Again, he offered his personal gratitude for the support the Diocese showed in providing funds for the grinders; and, on behalf of his daughter Angela, he thanked the families who opened their homes and hearts to her while she was in Canada.

In the Nicodemus Project, Bishop Matthias offered the challenge to look beyond the borders of the Diocese, to set differences aside and to work together in bringing the message of the Kingdom forward.

As always, he invited anyone to visit the Diocese of Ho and remarked on the similarities between himself and Archbishop Miller - except for their ages. (This comment drew laughter from all members present).

Expression of thanks

The Archbishop responded with warm words of affection about the relationship. He said there are plans to hold an International Camp at Camp Medley and he hoped this camp would bring some young people from Ghana as well as other places which have been visited by different mission groups around the Diocese. The Archbishop presented Bishop Matthias with a gift of appreciation.

VISION 2019

The Archbishop introduced a video on the 'buzz' about Vision 2019 and the Marks of Mission.

DRAW

The Archbishop invited everyone to stand up and look under their chairs for the picture of a blimp. He indicated everyone was involved in a draw without even knowing it. The person producing the picture would receive a copy of the book "Anglican Churches in the Diocese of Fredericton" by Frank Morehouse. The lucky recipient was the Reverend Chris McMullen.

PARISH NURSING

Isabel Cutler, Parish Nurse at Christ Church Cathedral for 6 years, supported by Nancy Wiggins, Parish Nurse at St Margaret's Church for 13 years, thanked the Archbishop for enabling their presentation. With the help of a power point presentation, Mrs Cutler explained this ministry stems out of our relationship with God and with each other as Parish Nurse Ministry seeks healing in body, mind and spirit. It is to complement, not replace the health care system. A Parish Nurse functions as a health educator, a health counsellor, a referral source and liaison, a health advocate, and a facilitator of support and self help groups. The vision for the future is that every parish in the Diocese will have a Health Ministry and access to a Parish Nurse.

The Archbishop offered his support and encouragement to Parish Nursing and Health Ministry.

INTRODUCTIONS

The Archbishop introduced the Reverend Canon David Keirstead, Acting Treasurer and Mr. Norman McLeod, CMA, Acting Assistant Treasurer. He thanked them for their willingness to serve in these roles and applauded them for their efficiency.

ECUMENICAL OBSERVERS' REPORT

The Ecumenical Officer, Bob Brittain, read the following report on behalf of the Reverend Jane Johnson of the United Church of Canada:

"An observation from the church across the street. Your joys and struggles have a familiar ring - Appreciated Bishop Pitman's challenge 'Are we stripping away enough?' I hear the

tension between your desire to 'relearn Anglicanism' as a 'going back to core values', and a re-defining who you need to be to be equipped for ministry in today's and tomorrow's world. I personally believe that we are in this together, and while we have different practises and policies, we encounter similar summits and potholes, and can benefit from listening to each other's stories. Thank you for letting me listen in."

ARCHBISHOP'S CLOSING COMMENTS

The Archbishop began by expressing his gratitude to all Synod members and to the Diocese as a whole for what has been a difficult year - starting with his own illness in the spring and continuing with Fred Scott's unexpected death in the fall. He offered thanks for the grace and support offered to the Diocesan Staff. The Archbishop recognized the commitment and support of his wife, Sharon and his family, as together we all work in this small part of our Saviour's Kingdom.

The Archbishop is encouraged by the new faces which will be serving on Diocesan Council and encourages them to ask questions. At the same time, he is thankful for the hard work of outgoing members after 2 years of working hard on the mission of the Church. He encouraged the new Council, and all parishes, to work on a Pastoral Plan - a schematic that allows us to check in from time to time in order to see how we are doing. This will be useful when welcoming the Parish Development Officer into the parishes.

The Archbishop expressed his appreciation for the clergy of the Diocese who sometimes feel they are facing insurmountable obstacles in their ministry. He invited people to walk alongside the clergy - even in times of challenges. He called on everyone to pray, work and be with one another even when we have differences. He leaves this Synod feeling encouraged with the work that has been completed and with the work that continues throughout the Diocese. It is his hope that at the next Synod, younger members of the Diocese will play a major role.

The Archbishop offered his personal thanks to Phyllis, Maureen and Geoff for their talents, dedication, friendship and support. Those same feelings are expressed to Fred Scott, posthumously.

As a closing comment, the Archbishop said: "Don't be afraid to look behind you to see who is following."

The doxology was sung and the Archbishop closed the 131st Diocesan Synod with prayers and blessing. Time: 4:20 p.m.

Respectfully submitted,

3. A checklist of items that will need to be addressed (cf, the Diocese of Toronto's Church Closing Checklist;
4. Suggestions as to best practices in regard to a service of thanksgiving and deconsecration;
5. A list of available resources that offer pastoral help in such situations (eg, the Alban Institute publication Ending with Hope: A Resource for Closing Congregations, edited by Beth Ann Gaede); and

STATUS: Motion 2013-2 - Parish Returns to the 132nd Session of Synod.

GETTING A MOTION BEFORE SYNOD

There are three different methods by which a substantive (or non-procedural) motion can get before Synod that also will determine the order in which the motion is considered.

Order of Consideration: [Canon Two, sections 7(4) and 8(2)]

Motions will be considered at Synod in the following order:

- 1) Notices given at a preceding Synod for consideration at the current Synod (to be printed in the order given);
- 2) Notices given six weeks before Synod (to be printed in the order received); and
- 3) Notices given at Synod before the deadline set by the Agenda Committee.

Motions of which notices are given under 1) and 2) above shall be considered prior to notices given at Synod under 3).

Making a Motion: All substantive motions are initiated by giving a Notice of Motion by way of the required form. Notices of Motion can be given either before or during a Synod.

Before Synod: [Canon Two, sections 7(1)(b) and 7(2)]

Notices of Motion for regular meetings of Synod can be sent to the Secretary of Synod not less than six weeks before Synod, and will be printed in the Synod Journal in the order received.

At Synod: [Canon Two, sections 3(10), 7(1)(a) and 7(3)]

Notices of Motion can be given at a meeting of Synod by delivering the same to the Resolutions Committee before the deadline set by the Agenda Committee. A Notice of Motion can be given for consideration either at the current meeting of Synod or at the next regular meeting of Synod.

Procedural Motions: [Canon Two, section 8(5)]

Procedural motions (such as a motion to amend, table, refer or adjourn another motion) may be made without notice and must be disposed of before consideration of the substantive motion before Synod.

Resolutions Committee: [Canon Two, section 3(1), Regulation 2-1 Resolutions Committee Mandate]

The Resolutions Committee does not have authority to veto or refuse a motion, but will seek to ensure that the language reflects the mover's intent, and may recommend clarifications to the mover and point out potential concerns. It may also suggest consolidation of a proposed motion with other motions received on the same subject.

New Expenditures: [Canon Two, section 8(3)]

Motions proposing new expenditures must either identify a proposed source of funding or be qualified as being made "subject to available funding."

RESOLUTIONS COMMITTEE MANDATE

It is the responsibility of the Committee:

- 1(4) Generally, to ensure that motions do not conflict with the Constitution or Canons, or the regulations, directives or guidelines of the Diocese.

- 2(4) The Committee is authorized to propose consolidations of motions which deal with the same subject, with the understanding that, in doing so, the Committee will consult with the sponsors of the motions.
- 2(5) The sponsors of any motion which is recommended for change by the Committee must be consulted and asked for their agreement to the change(s) proposed.
- 2(6) The Committee will advise the author of any proposed motion it considers to be:
 - a. outside the jurisdiction of the Diocesan Synod;

 - c. inaccurate;

REPORT OF THE DIOCESAN TREASURER

Mandated Responsibilities:

The Treasurer is appointed by Diocesan Council and under Section 10(2) of the Constitution is required to:

- a) receive all money belong to or collected under the authority of the Synod, and disburse the same as the Synod shall direct,
- b) keep careful accounts of all money belonging to or collected and disbursed under the authority of the Synod and present those accounts to the Synod at each regular meeting of the Synod and to the Diocesan Council as it may require,
- c) deliver into the hands of a successor or other person as the Synod may direct all property, books, records, documents and papers relating to its concerns that may be in the possession or control of the Treasurer.

The Diocesan Treasurer provides financial information on a regular basis to the Finance Committee and to Diocesan Counsel. The financial statements for the year ended December 31, 2012 are included in the Appendices of the Synod Convening Circular.

Diocesan Finances:

Overall, the financial results of 2012 provided a modest surplus position for the Diocesan accounts. This was mainly due to positive growth in the Diocesan Consolidated Investment Fund assets, the details of which are found in the statements prepared by Grant Thornton on our behalf. On an operating budget basis, the results were less encouraging, as parish support of the Diocesan shared ministry budget continues to decline, resulting in a budgetary deficit position.

Diocesan Shared Ministry Budget:

Over the past few years, concern has been focused towards to the inability of the shared ministry budget, which relies on the support of the parishes, to provide for increased investments in programs and services. The budget is limited to addressing a very narrow scope of operations with restricted staffing, at a time when inflationary pressures are impacting not only the Synod operations but also parish financials.

As part of a working group of the Finance Committee, the Diocesan Treasurer has provided professional expertise and logistical support in the review of the current approach to parish support of the shared ministry budget and possible revisions to this approach. The overall objective of the working group has been to advance a recommendation that is fair, equitable, and transparent; and easily understood, communicated and applied, but flexible enough to recognize and accommodate extenuating circumstances. Such an approach will continue to be dependent on the support of the parishes, but this is the reality of the Anglican family in which we worship and operate.

Diocesan Support to the Parishes:

Over the past two years, there have been unfortunate circumstances that have impacted the level of support provided to parishes, but there is optimism that this has now turned the corner. In the past year alone, there have been two Stewardship events presented - one involving Archbishop Douglas Hambidge - a dynamic and thought-provoking speaker, and one entitled "Funding Our Vision" that provided a reality-based look at the financial challenges faced by the Diocese as a family of parishes.

A day-long "Wardens and Treasurers" event this past spring hosted a variety of speakers,

sharing information on a variety of topics, including insurance and legal issues that face parishes today. Just recently, Diocesan staff helped the Human Resources Committee plan and deliver a pre-retirement conference aimed at active parish clergy approaching the age of retirement. Information gained in this process will ultimately affect parishes in their own succession planning.

The Synod office continues to focus on improving the level and type of support provided on a day-to-day basis to parishes, whether in terms of payroll and administrative services, investment management, or in the provision of guidance, advice and support to parishes - either in their daily administrative activities or when planning or undergoing transitional processes. This focus will continue as more opportunities for collaboration or support are identified.

Diocesan Youth Camps:

Over the past two years, capital improvements at Camp Medley have included the staining of camper cabins through the active involvement by the "Holy Joes", the dining hall at Camp Medley has received new siding, and the staff house has been completed. An outdoor volleyball court has been constructed through the generosity of memorials honoring the previous Diocesan Treasurer, Fred Scott.

Camp Brookwood cabins have received new doors, and operating and scholarship grants have been provided to both camps. Camp Brookwood is planning much-needed capital improvements over the next few years of almost \$50K that will require financial assistance, the most immediate of which is a new roof for the dining hall.

The capital loan from the Anglican Foundation in support of the Camps Capital Campaign is still being repaid as well as the internal loan that made continuing facilities development possible. The youth camps continue to be a major focus of financial discussions, in terms of repayment of existing obligations, funding of future improvements and the development of additional utilization that could extend the seasonal aspect of the facilities, and provide supplementary sources of financial support.

Diocesan Administration:

In addition to maintaining the financial operations of the Diocesan Synod as well as those of Camp Medley, work over the next year will be focused on developing a plan of action that will ensure an organized approach to future staffing of the Diocesan Treasurer position.

Financial and administrative systems and processes are being subjected to close scrutiny under the auspices of an operational review that not only looks at current operations, but also the ability of the financial, physical and human resources to face the challenges of the future needs of the Diocese. Documentation of key processes is underway, and availability for streamlining and improvements will be identified and implemented where feasible.

Challenges and Blessings:

As Treasurer, I have been both challenged and blessed over the past seventeen months:

Challenged by the need to determine priorities and to meet those concerns; challenged by trying to juggle so many conflicting needs; and challenged by not enough hours in the day to complete the many tasks that needed attention.

Blessed by the leadership and support of our Bishop Claude Miller, and his Executive Assistant, the Ven. Geoffrey Hall; blessed by the many prayers of support and words of encouragement throughout the diocese; blessed by the guidance and reinforcement of the many diocesan committees with whom I am privileged to work, especially the Finance

Committee and its chair, Gil Carter, with whom, as Treasurer, I work so closely; and most significantly, blessed by the sacrifices of my husband Don who has given me his own endorsement to travel down this particular road.

Respectfully submitted,
Irene E. Adams, Diocesan Treasurer

Expectations of a Member of Diocesan Council

Diocesan Council fulfils a senior leadership role in our Diocese functioning as "Synod between Synods." To discharge this responsibility requires a major commitment of time. As a potential member of Council, I have read and understand the following expectations which I will do my best to perform, the Lord being my helper.

Attendance:

- Diocesan Council Meetings
Attend all Diocesan Council meetings, which means under normal circumstances, making myself available for approximately six Council meetings per year, across the Diocese. (Usually three on weekdays and three on Saturdays)
- Diocesan Council Team Meetings
Every Diocesan Council member is expected to be on at least one Council Team and to attend Team meetings, usually about 2 hours, between each meeting of the Diocesan Council.
- Greater Chapter meetings
Every Diocesan Council member belongs to the Greater Chapter in the Archdeaconry where they live. The Greater Chapter usually meets three or four times a year.

Preparation:

- Do my best to prepare, taking time to prayerfully review and reflect on issues and proposals that are before these meetings.

Participation:

- Be an active listener, and contribute to the work of the Council, both at meetings and between meetings.
- Play a leadership role in my archdeaconry's Greater Chapter meetings, especially by providing information to and gathering information from parish clergy and lay leaders regarding Diocesan affairs.
- Try to act always in the best interests of the Diocesan Synod, in an impartial and nonpartisan manner, being personally accountable for my decisions and Council's decisions, always seeking to promote understanding of those decisions in my archdeaconry and across the Diocese.
- Diocesan Council has established norms and I will respect them.

TEAM REPORTS

ADMINISTRATION

Overview – The Administration Team and Its Work

The Administration Team of Diocesan Council has the lead role with respect to coordination of the Nicodemus Project and management of the most important 'Issues and Challenges' facing the diocese, as identified by Synod and Council. In addition it gives direction, when asked or deemed necessary, to the standing committees that operate under its auspices.

Members of the Admin Team include Archbishop Claude Miller, Archdeacons Geoff Hall, Pat Drummond and David Edwards, Chancellor Clyde Spinney, Treasurer Irene Adams, Jim Knight, Gil Carter, Victoria Hachey, Bill Turney, Ana Watts and Jim Morell (chair). The team meets about six times per year.

Immediately after Synod 2011 the new Diocesan Council identified 16 major 'issues and challenges' that faced the diocese and were in need of work. Each was assigned to a team or committee or task force. Below is a list of these 'issues and challenges.' Those marked with an asterisk (*) are on the list as a result of decisions by previous synods. Good progress has been made on all 16 items (most are covered in reports elsewhere in the convening circular from various teams and committees). Many have been completed.

Our 'Major Issues and Challenges' list for 2011-13 included:

1. The Nicodemus Project*
2. Diocesan Finances and Stewardship*
3. Task Force on Governance, Structures and Processes (Archdeaconry Commissions)*
4. Diocesan Self-Assessment*
5. Health Benefits Program for Retired Clergy and Spouses
6. Clergy Stipend Review
7. Church Planting*
8. Diocesan Guidelines for Church Closures*
9. Non-compliance in submission of parish returns*
10. Procedures: Greater Chapter Meetings and Agendas*
11. Study of Anglican Covenant*
12. Back to Church Sunday
13. Synod and Cathedral Properties
14. Selection of New Treasurer and Complete Review of Synod Office Staffing
15. 'Together in Mission' Campaign and
16. Revisions to Parish Advisory Committees and Parish Profile Process

Constitution and Canons Committee

Firstly, the Committee wants to acknowledge, with regret, the loss of a long term member, the Ven. Vicars Hodge who accepted a call to another Diocese, and to give thanks for his replacement by an equally experienced churchman, the Ven. Richard McConnell. During the

Proclaiming the Gospel of Jesus Christ for the making of disciples

reporting period the Constitution and Canons Committee carried out the functions conferred on it by Canon Four, s. 19(6) namely:

- a) To advise the Synod, the Bishop and the Diocesan council with respect to legal matters related to the Church and the Diocese; and
 - b) To make recommendations to the Synod and the Diocesan Council with respect to the adoption of Canons, or the amendment of the Act, the Constitution and the Canons.
- Pursuant to the exercise of these functions, the Chancellor, the Vice Chancellor and members of the Committee provided advice to the Bishop, the Diocesan Council and its committees on an ongoing basis in relation to a wide range of matters: human resources, real property, trust, financial, insurance and on other specific matters such as:
- i) The investigation and subsequent criminal conviction of a lay person involved in coordinating a school hot lunch program;
 - ii) Finalization of the legislation pertaining to the Rothesay Collegiate School,
 - iii) The initiation and planning of a youth housing project in Saint John;
 - iv) Three amalgamations of parishes in the Sussex, Oromocto and Saint John west areas; and
 - v) Presentations at a number of Diocesan events such as Wardens and Treasurers Day and the recent Clergy Retirement Seminar.

The special subcommittee appointed to review the composition of Synod and other related issues is close to releasing a white paper for public discussion. The white paper, entitled Moving Forward has gone through two drafts and should be released very shortly.

Clyde Spinney Q.C., Chancellor and Chair
Brent Theriault Q.C., Vice-Chancellor and Vice-Chair

Communications Committee

The concept of Parish Communications Officers (PCO's) was one of the recommendations of the 2009 Task Force on Rural and Struggling Parishes. The Diocesan Communications Committee has encouraged parishes to appoint PCO's to work with the Diocesan Communications Officer in disseminating information from the parishes to the entire diocese, and from the diocese to all the parishes. As of Sept. 16, 2013 there are 64 PCOs registered in DIMS, the Diocesan Information Management System. Although that does not represent 64 parishes (some parishes have registered more than one representative) the number certainly indicates that PCO's perform valuable work and that this is a viable working group.

Each year since the inception of the PCO network the Communications Committee has offered a skills workshop for members. In 2012 and 2013 the focus was on writing and photography, the two most basic communication skills used in print and on the web. In 2012 renowned Fredericton photographer Roger Smith offered a comprehensive workshop on the photography of people and the basics of digital imaging to the 26 PCOs who registered for the Saturday workshop at Cathedral Memorial Hall in Fredericton. Previous workshops indicated many PCOs did not understand basic digital imaging and electronic file formats. Diocesan Parish Communications Officer Ana Watts, and Communications Committee member Betty Anne McDorman led the writing workshop with emphasis on the five W's — who, what, where, when and why — basic news story structure and elements. Time was also spent with Lorraine Stiles, a PCO from Perth-Andover, on building a PCO job description. There was also time for networking.

Proclaiming the Gospel of Jesus Christ for the making of disciples

During 2012 the Communications Committee also worked on creating a Crisis Communication document for the diocese. Feedback from workshop participants was very enthusiastic.

The 2013 PCO Workshop was held in Trinity Church Hall in Sussex. Once again photographer Roger Smith shared his skills and expertise with the 24 PCOs who registered for the event. In two informative sessions established writer, editor and teacher Gwen Martin of Fredericton shared simple tricks for clear writing and insight into what makes a story. Don Adams, a Communications Committee member from St. Stephen, offered a helpful tutorial on Facebook. Again, feedback from the workshop was more than enthusiastic.

The Communications Committee reviewed notes from the workshops that PCOs offered on a job description. Chair Bill Turney and member Don Adams then took the notes and massaged them into a succinct, practical and pragmatic set of Parish Communications Officer Guidelines that were presented to Diocesan Council in May of 2013. Council appreciated and approved the document with congratulations to the Communications Committee. The document is now posted on the diocesan website http://anglican.nb.ca/synod/communications/1305_pco_guidelines.pdf. It was also published in the October 2013 issue of the New Brunswick Anglican.

William (Bill) Turney, Chair and Ana Watts, Diocesan Communications Officer

Finance Committee

The Finance Committee has faced many challenges since the passing of our colleague, friend and former treasurer Canon Fred Scott. We first had to get control of our affairs on a going forward basis and then we had to reconstruct many files in order to meet the requirements of our outside accounting firm in order to produce the required financial reports.

We also had to identify and hire a new Treasurer who had the skills we needed to properly control our financial affairs. We have been truly blessed with being able to hire Irene Adams. She has had a lot of experience, and has taken charge and produced some pretty amazing work. After two years, our situation is under control and we are making major advancements in our controls and processes.

One issue we will be bringing to Synod 2013 will be a new assessment formula, which we feel is very transparent, fair and equitable to all parishes. A lot of work has gone into the development of this formula, and we have an immediate need for a formula that works. The present method is no longer equitable, and is in fact not working.

Following is a listing of many of the Finance Committee's activities over the past two years:

1. Struggle to gain control and understanding of financial affairs following the sudden death of our Treasurer
2. Selected and hired a new treasurer
3. Invited Property Committee to be a regular attendee at Finance Committee meetings.
4. Authorized the Parish of St. Mary's and St. Bartholomew to borrow from their Rectory Fund, with a repayment plan, in order to refurbish the exterior of their building.
5. Authorized the Parish of Woodstock to sell their rectory with a two year payment plan.
6. In November 2012 received and approved Formal Financial Statements for 2011.
7. Reviewed and amended Policy A6 - Outstanding Parish Support.

Proclaiming the Gospel of Jesus Christ for the making of disciples

8. Established a working group to begin discussions on Parish Assessment rates.
9. The Parish of East Saint John was authorized to borrow an additional \$10,000 from their Rectory fund subject to it being repaid over ten years.
10. Approved and guaranteed a continuation of existing loans from the Parish of Sussex to the Parish of St. George, and the Parish of Quispamsis, subject to Council's agreement.
11. Approved new siding for a Camp Medley project including labour of \$22,600 and materials of \$25,289. With the recommendation that the Chair of the Property Committee be more involved with the camp property.
12. The Parish of Musquah received approval for construction of a partition to create a room for small meetings and bible studies.
13. Prepared and submitted 2013 budget to Council.
14. Completed Finance Committee self-assessment.
15. Completed the land transfer of the rail property to Camp Medley.
16. Struggled to secure Parish Annual Return information as needed for the proposed new Assessment formula.
17. Financial Statements for 2012 reviewed, approved and submitted to Council.
18. Established much more timely reporting of financial information to the Finance Committee.
19. Proposed a new Parish Assessment formula to Council for action.
20. Arranged for a line of credit for the Parish of Bright to assist with a major oil spill. The line of credit was not acted upon.
21. Authorized a loan of \$4,000 to the Parish of Upper Kennebecasis to make repairs to their rectory roof.
22. Approved the renewal date for the Synod Loan to the Parish of Nerepis and St. John in the amount of \$350,000 to extend to September 14, 2014.

The Committee sincerely values and seeks the continuing support of all parish leaders as we deal with the many financial issues that lie ahead of us.

Human Resources Committee

Current Membership: Victoria Hachey (Chair), Irene Adams, Geoffrey Hall, Walter Williams (Vice-Chair), Dick Black, Claude Miller, Shara Golden, Arnold Godsoe, Roger Castonguay and Bonnie Leblanc

Meetings- The HR Committee met 13 times since Synod 2011.

- Clergy Travel Reimbursement- A per-kilometre travel reimbursement system was implemented for all clergy in January of 2012. No major issues occurred during implementation. There has not been an increase to the per-kilometre rate since the last Synod, however the rate and structure is reviewed annually by the committee.
- Clergy Stipend Review Task Force - Resulting directly from the travel reimbursement research and recommendations, Council tasked the HRC with undertaking a thorough stipendiary review. Unfortunately, given events in the Diocese and HR committee since the last Synod, work on this item has been slow. In the spring of 2012, the Bishop expressed concern about what is actually required from this review. As a result, the Bishop and Diocesan Treasurer have been working together to outline a plan moving forward. This item will most likely be completed by an external group, with work to begin soon. That being said, the HRC continues to review the scale of minimum stipends annually.

Proclaiming the Gospel of Jesus Christ for the making of disciples

- Clergy Health and Dental Benefits - The clergy benefits plan continues to be reviewed annually, prior to annual benefits renewal. A benefits survey was completed in the fall of 2011, highlighting some possible cost-saving measures for the plan. The plan experience, reviewed in September 2013, indicated positive experience and a rate increase is not anticipated for the coming benefit year. The committee also recognizes the impact that prevention programming can have on the benefits plan, and as such are in discussions about potential plan change options.
- Retiree Health Benefits- Council tasked the HRC with making recommendations to ensure the financial sustainability of the retiree health plan. A working group took responsibility for this item following Synod in 2011. In spring of 2013, Council approved the working committee's recommendation for the plan. Effective January 1, 2014, benefits premiums for the retiree Extended Health Benefits Plan (EHB) will be cost-shared 80/20 between the Diocese and Retirees. Further cost-saving measures have been explored and the working group will reconvene in winter 2014 to determine next steps.
- Pre-retirement Seminar- The HRC held a pre-retirement seminar at the Fredericton Inn, September 26 and 27, 2013. Presentation topics included Successful Transition to Retirement, Wills, Real Estate, Financing the Purchase of a Home, Federal Pension Benefits, Staying involved in Ministry after Retirement, National Pension Outlook and Retiree Programs and Financial/ Estate Planning. All clergy 50 years and older, and spouses, were invited to participate. As a result of the changes to the retiree EHB plan, retirees were also invited to presentations regarding Pension Outlook and Retiree Benefits, to further their understanding of available benefits. (Note: this report was written in mid-September and assumes this events was held as planned)
- Regulations under Canon Four: Safe Churches- This project has been ongoing for the HRC since Synod 2009. A working group, independent of the HRC, has been working on a document. The committee received initial schedules of the document for review and provided feedback in spring 2012. A complete policy and schedules was received during summer 2013. The HRC is in the process of reviewing the document and providing feedback before the working group will present it to Council. The HRC is attempting to separate policy from administration and implementation, so the policy meets the needs of the Diocese and ensures a smooth implementation.
- Committee Self-Evaluation- The Committee participated in the team self-evaluation process as encouraged by Council. It was a very good exercise and identified areas of improvement for the group. As a result of the evaluation, the committee identified many items for inclusion in an action plan for 2013-14 and beyond.
- HR Committee Membership- The HRC has improved on its membership issues since the last Synod. We have had a complete membership over the past two years. Unfortunately, with some members completing their second term following this Synod, no potential nominations have been received to fill those vacancies. New volunteers are needed.
- Other Projects- The HRC presently has two projects on its agenda which are either recurring items or are under review, waiting for an available working group: Contents of the Personnel Profiles and Policy on Clergy in Transition

Archives Committee

At the Provincial Archives, regular work consists of receiving and organizing records and responding to requests for individual records (mostly baptisms but also marriages, deaths and confirmations) and questions related to anything historic/archival. This year, the Archives of each signatory to the accord between the churches, government and First Nations has been required to research and copy all references to the Indian Residential Schools in their records. A special meeting of Diocesan Synod of Fredericton in February 2003 unanimously accepted that accord.

Concentration only on this detailed research to the exclusion of “normal duties” was not possible so the residential schools-related research and copying has been overseen by the archives but done by contract workers. Financial assistance from the Council of Archives New Brunswick (CANB), Young Canada Works in Heritage, Canada Summer Jobs, General Synod Archives of the Anglican Church and the Diocese of Fredericton funded this work. The project is almost complete. Our findings show that an amazing amount of assistance from our Parish Women’s Auxiliaries (WA) was sent to the children at the Indian Residential Schools. This indicates continuous hard work, dedication and self-sacrifice on their part. In some parishes, our G.A. girls became penpals with children at the IRS. Despite all that we know about the IRS today, this Diocese ought still to view this contribution as a proud legacy. A more detailed report on this Archives work will appear later in the NB Anglican.

Our book featuring pictures of all churches in the Diocese (including many that are now gone) was so successful that a second printing was done and sold out fairly quickly.

We are delighted to report to the synod that a home has been found for the Medley Library. As this report is being written, the final documents are being prepared to transfer ownership of the library to the University of New Brunswick. This is very exciting for the Committee as we have been looking for a home for the Medley Library for many years.

Nominating Committee

The members of the Committee during the period between the 131st Session of the Diocesan Synod (October 2011), and October 2013 were, in alphabetical order: Archdeacon Geoffrey Hall; the Rev. Peter Gillies; Shara Golden; Jim Knight; Archbishop Claude Miller; Chancellor Clyde Spinney; Jack Walsworth (Chair); the Rev. Canon Walter Williams

This committee assists the Archbishop and the Diocesan Council with recruitment of both clergy and lay-members for as many as forty-five (45) ministries at the Diocesan level, involving hundreds of our brothers and sisters in Christ. A list of roles, elections and Episcopal appointments is reviewed monthly (September–June) by this committee and maintained on the Diocesan web site <http://anglican.nb.ca/synod/council/roles.pdf>. A current list of the Roles, Elections and Appointments may be included in this Synod Convening Circular.

It was business as usual during the period with the exception of one unplanned election held by the Diocesan Council to obtain additional Lay-Delegates and Lay-Substitutes for the 2013 General Synod. This election was required because a number of Synod-elected lay members became unavailable at the time of the 2013 General Synod. The election was conducted with authority granted under s. 4(2)(c) and s. 4(2)(s) of The Anglican Church Act, 2003.

Proclaiming the Gospel of Jesus Christ for the making of disciples

I would like to thank all members of the committee for their generous time and talent as they served in this ministry. God asks each of us to serve through the love and peace of Jesus Christ. If there is a ministry of the Diocese that interests any Anglican, please contact Jack Walsworth (mobile: (506) 478-1980, email: jlwals@nbnet.nb.ca).

1 Peter 4:10-11: Each one should use whatever gift he has received to serve others, faithfully, administering God's grace in its various forms. If anyone speaks, he should do it as if one speaking the very words of God. If anyone serves, he should do it with the strength God provides, so that in all things God may be praised through Jesus Christ. To Him be the glory, and the power for ever and ever. Amen. Provincial Synod of the Ecclesiastical Province of Canada

The following attended the 2012 Provincial Synod in Montreal, PQ, from September 20-23, 2012: Archbishop Claude Miller, Chancellor Charles Ferris, Archdeacon Pat Drummond, Archdeacon Vickers Hodge, Canon Albert Snelgrove, Rev. Cathy Laskey, Rick Haddad, Jim McKenna, Falon McNulty and Teddy Quann.

Led by the Metropolitan, the Synod completed significant structural changes and commenced an intentional conversation aimed at fundamental Church reform in the Ecclesiastical Province of (Eastern) Canada. These included the immediate reduction in the size of Provincial Synod by approximately 45% (from 76 to 44); the reduction in the size of Provincial Council by 29% (from 30 members to 22 members). The Synod also adopted a resolution requiring that the Prolocutor, Deputy Prolocutor and the lay and clerical secretaries be members of the Provincial Synod in order to be eligible for re-election to the Executive. Finally, the Synod provided for the election of a Metropolitan by electronic communication by the entire Synod and for the appointment of a Vice-Chancellor to assist and act only in the absence of the Chancellor.

The Synod also resolved to examine fundamental governance change, based on the collaborative exercise of Episcopal leadership in Eastern Canada including the possible reduction in the number of Dioceses (from the present 7 to as few as 3); for the adoption of shared administrative services where this might result in financial and other efficiencies; and a focus on mission and post-ordination initiatives in Canada (in addition to our present International focus). The Province of Canada Governance Working Group charged with coordinating this work will report to the 2013 Provincial Council in Corner Brook and to the 2015 Provincial Synod which will be held in the Diocese of Fredericton.

Finally, the Synod has undertaken, as its major 2014 initiative, the completion of a Youth 'Train the Trainer' event that will be held in Montreal in June 2014.

Respectfully submitted,
Charles Ferris, Q.C., Chancellor

General Synod of the Anglican Church of Canada

The following delegates attended General Synod in July of 2013: Donald Adams, Patricia Drummond, David Edwards, Ann Fairweather, Rick Hadad, Leo Martin, Falen McNulty, Archbishop Claude Miller and Albert Snelgrove.

The Joint Assembly/General Synod was attended by over 600 delegates and guests, comprised of Anglicans and Lutherans from the Evangelical Lutheran Church in Canada (ELCIC). The Ottawa Convention Centre was the venue for the Assembly with the city displaying its magnificence, splendor and floral colours in full bloom. The theme of the Assembly "Together for the Love of the world", reverberated across the large halls of the Ottawa Convention Centre, through prayer, song and presentations. Regular worship services were held throughout the day in variety of formats while the evening prayer was attended en masse with song and prayer.

Guest speakers to Synod included: the Reverend Canon Dr. Kenneth Kearon, Secretary General, Anglican Communion, Canon Alyson Barnett-Cowan, Director for Unity, Faith and Order, Anglican Communion, the Reverend Dr. Martin Junge, General Secretary, Lutheran world Federation, the Reverend Dr. Christopher Duraisingh, professor Episcopal Divinity School in Cambridge, Mass, Dr. Mark Hansom, presiding bishop, Evangelical Lutheran Church in America, the Most Reverend Dr. Katharine Jeffers Schori, Presiding bishop, Episcopal Church and the Reverend Olav Fykse Tveit, World Council of Churches General Secretary.

Sub-themes emerged during the Assembly and to name a few: "Keep looking outward, the spirit is calling us to look out into the world that longs for gospel, peace and justice", "Something beyond ourselves, full communion benefits the world", Church must critique 'self-centredness, start with a mission and the church will be found".

Presentations made at the Assembly/Synod were broad ranging and interconnected. Ethical resource extraction and responsible and ethical investments in resource companies were major themes during the session impacting on aboriginal self-determination here in Canada and social justice issues both at home and abroad. Environmental concerns with respect to clean water was also a major theme with prayer, led by our youth delegates, being held on Parliament Hill and concluding with streams of blue ribbon representing clean flowing water passed hand-over-hand by the delegates.

A highlight of the Assembly/Synod was the news from Canada's north celebrating the first Inuktitut translation of the Bible, published last year. Jonas Allooooloo, dean of the cathedral in Iqaluit, spoke to the Assembly about the first translation of the Bible, an immense task that began in 1978. Allooooloo was one of a team of four translators, including Reverend bishop Benjamin Arreak, Bishop Andrew Atagotaak and the Reverend Joshua Arreak, who worked with translators at the Canadian Bible Society. Inuit Christians were ecstatic with 2000 leather covered Bibles sold out in one day.

An historic event took place during the 2013 General Synod whereby a new indigenous diocese was created in northern Ontario. Approval of Resolution B001 means that the Diocese of Keewatin will cease to operate on Dec. 31, 2014. The Diocese of Rupert's Land has agreed to absorb Keewatin's southern region churches. The new northern diocese will cover 16 First Nations communities belonging to Treaty 9 around Kingfisher Lake, north of Sioux Lookout. It was an emotional moment when the elders from the communities of the new diocese entered the Hall and were introduced to the delegates.

Proclaiming the Gospel of Jesus Christ for the making of disciples

Of particular significance to the General Synod are the wide-ranging changes to the Church's structure. General Synod members approved a motion to abolish all but two of the national church's standing committees. The two remaining committees are the Financial Management Committee and the Pension Committee. The other committees will resurface as coordinating committees. The motion passed by a two-thirds majority by the House of Bishops, the clergy and Laity. Second reading was given to a motion which calls for changes to the Church's declaration of principles. The impact of an approved motion will alter the voting procedure at General Synod, creating a system where a single vote of all members will be taken prior to the approval of A030.

General Synod passed Resolution C003, asking the Council of General Synod to prepare and present a motion to change the church's Canon 21 on marriage "to allow the marriage of same-sex couples in the same way as opposite sex couples." Moved by the diocese of Nova Scotia and Prince Edward Island members Michelle Bull and Jennifer Warren, the motion was approved by a two-thirds majority of the orders of bishop, clergy and laity. Using clickers—a handheld electronic device—25 bishops, 72 clergy and 101 laity voted in favour of the resolution; 11 bishops, 30 clergy and 27 laity were opposed. The resolution asks that this motion include "a conscience clause so that no member of the clergy, bishop, congregation or diocese should be constrained to participate in or authorize such marriages against the dictates of their conscience." It also sets additional criteria contained in amendments introduced by diocese of Algoma Bishop Stephen Andrews and Dean Peter Elliott, diocese of New Westminster. The amendments, approved by a vote, state that the 2016 motion should include supporting documentation that: "demonstrates broad consultation in its preparation; explains how this motion does not contravene the Solemn Declaration; confirms immunity under civil law and the Human Rights Code for those bishops, dioceses and priests who refuse to participate in or authorize the marriage of same-sex couples on the basis of conscience; and provides a biblical and theological rationale for this change in teaching on the nature of Christian marriage."

The 2013 Joint Assembly/General Synod delegates are grateful to the Diocesan Synod and Council for placing their trust in them to represent the Diocese at General Synod. For the delegates who had never experienced a General Synod it was considered to be very exciting, informative and an eye-opener to the greater workings of the national church at home and around the world. It was particularly enjoyable to have been in the company of our sisters and brothers in the ELCIC in full communion.

EPISCOPAL MINISTRIES

Brief Description and Mandate

Our purpose is to help relieve pressures on the Diocesan Bishop in the daily responsibilities of that office by providing an effective means of communication between the Bishop and ministries falling directly under the supervision of that office, in matters which do not require the Bishop's immediate involvement.

Activities and Ministry Priorities since our last Synod in 2011:

- **Clergy College**
Annual Clergy College were held in June 2012 and 2013 with three education modules per event. This continuation education initiative for Clergy in recent years has not attracted the number of participants as hoped for or as intended. The funding for this ministry is a combination of funds from participant's Con-ed account and the Diocesan Budget. Continuation under the present format given the attendance is under review and evaluation.
- **Clergy Conference**
The Annual Clergy Conference at Rothesay Netherwood School is well attended. The two day residential event receives consistent positive feed-back. The presenters: 2012, the Rev Church Owens; 2013, Mr Gary Best. Both presenters built on the vision of our 2011 Synod with encouragement for Clergy as to how to engage an ever changing culture and the challenge of proclamation in post-Christendom. The cost (increasing yearly) of this event is funded by the Diocesan Budget. Given rising costs this ministry is under review and evaluation.
- **Rothesay Netherwood School**
The Episcopal Team is grateful to the Rev. Canon Albert Snelgrove, The Rev. Michael Caines and the Rev Paul Ranson who have or are serving as Chaplain to nearly 300 students and staff on a daily basis. The school continues to improve and prosper under the Head, Mr. Paul Kitchen. The diocese does not contribute to Chaplain stipend or associated costs.
- **Clergy Days**
It was hoped that regular Clergy Days would happen each Spring and Fall. Since our last synod, and given the more active Greater Chapter and Archdeaconry Commissions little time has been left to schedule Clergy days with regularity. Since our last Synod two Clergy Days were well received under the facilitation of: Nick Brotherhood (Fresh expressions of Church); The Most Rev Douglas Hambidge (Stewardship). Both events well received.
- **Synod Office Staffing and Succession Planning**
Due to the untimely death of our Diocesan Treasurer, Canon Fred Scott, our Auditors assisted us with finding Ms. Irene Adams CGA, who, under contract, assumed the position for a three year period. (End of contract July 2015). The Administration Team of Diocesan Council continues to assist with the process of Synod Office Personnel Succession, which is of paramount importance given the possible retirement and ending of contract staff positions held by key staff members.

- 12-12-12: Peer Education Program
This program format is adapted for clergy in our diocese. Dr. Nancy Mathis guides and directs the Wallace McCain Institute of the University of New Brunswick who offers a peer education program for young entrepreneurs. Ms. Mathis worked with Archbishop Miller and Archdeacon David Edwards to modify this for use with the clergy of that Diocese. The strength of the program is in the moderator, who needs to have comfort in speaking in front of people and needs to be comfortable with ambiguity as often, the topics of conversation are derived from what is identified by the participants as emerging issues. Again, the program is a residential one and involves 12 clergy with 12 topics over a 12 month period.

Enthusiastic backers and foundations provided \$50,000. for the initial 12 sessions. Originally the twelve topics chosen by group were: Community Engagement, Developing Ideas/Creating Vision, Personal Care, Conflict Management, Change Management, Inter-Personal/Team Building, Communication Skills, What Is Innovation?, Leadership Styles, Outreach, Building Infrastructure and Follow Through. The subject priorities may change as the group deems necessary.

The program follows the same pattern for each session. It has a compulsory residential night and 100% attendance is expected. There are agreed norms set by the group for each group. Each session includes an outside speaker.

There were some challenges in the implementation of this program. It is costly. It requires thorough training of the moderator and as indicated, a serious commitment by the participants. From the anecdotal accounts, this commitment and in fact, loyalty, seems to develop quickly as the participants experience 'buy-in' almost immediately. After 8 sessions the participants rated the effectiveness of the program as 9.2 out of 10. This initiative is in keeping with "equipping our leaders" as visioned by the Nicodemus Project. Plans are under way for the second phase beginning in the new year.

- Parish Profile Revision
Since our last Synod a new template for parish profiles has been piloted and seems to be working well.
- Layreaders
There is a much needed review and study as to how to address the need for basic and ongoing training for layreaders. It is hoped that before our next Synod that this review and recommendations will be entertained by the Episcopal Team. We are truly grateful for this rich leadership resource that has been maintained by the Warden of Layreaders the Rev. Canon John Cathcart and over 300 Parochial and Diocesan Layreaders.
- Vocational Discernment
The Episcopal Team recommended that a Task Group was needed to consider vocational discernment leading to ordained ministry and recommend a plan to better facilitate comprehensive oversight. This has been done and we await a renewed process that enables meaningful discernment.
- Ordination
Since our last synod there has been 16 ordinations. A healthy mix between Priesthood, Diaconate leading to Priesthood and the Vocational Diaconate.

Proclaiming the Gospel of Jesus Christ for the making of disciples

- **Confirmations**
Since our last synod 81 Confirmation Candidates were confirmed. The Bishops discovers regularly at these events that the level of commitment to the Church by the confirmed is very high which is a call to all who have promised before God to assist in their faith journey. It should be noted that, again, faith formation and continuing education of every member of the church should be a high priority.
- **Deconsecrations**
Since our last synod 7 churches were deconsecrated by the Bishop or his appointee. The secularized structure have been razed, or old and re-purposed as recommended by Parish Corporations.
- **Team Evaluation**
Results from the team evaluation were completed December 2011 and revealed that: meetings should be more frequent, team should focus on priority item(s) before taking on more initiatives, agendas should be distributed 2 weeks in advance of meetings and additional members are needed to carry out the mandate. The results of the team evaluation and suggested changes to the template were reviewed by the Administration Team at their January 2012 meeting. This exercise was a pilot and at the March 2012 meeting of Diocesan Council, Committees and Teams will be asked to complete an evaluation by Synod 2013.
- **Church Closure Guidelines**
As directed by the 2011 Synod a Bishop's Directive or Guideline is in the First Draft stage and require completion ASAP.
- **Ecumenical Ministries**
Due to the death of our Ecumenical Officer, the Rev. Deacon Robert Brittain, this volunteer position has not been filled. The Archbishop thanks those clergy who have agreed to respond to Ecumenical events and attend when possible. This position is important and needs to be filled ASAP.
- **Diocesan Camps**
At the end of March 2013, Elizabeth Harding retired as Camp Medley Director after 7 years of faithful service. Under her guidance and leadership Camp Medley has thrived. Her focus on making our Camps Medley and Brookwood a safer place for our children by policy review, evaluation and staff training has laid a strong foundation for the future.

Report Note: It should be noted that there is a great deal of overlap with the teams of Diocesan Council. Our model of Governance and Administration and the team membership should seek to understand the mandates of diocesan sponsored ministries. In order to be accountable and effective our efforts must be complimentary and interdependent in our response to the overall mission and vision of the Diocese. The traditional autonomous and self reliant posture of ministries must give way to more effective use of resources and gifts for the benefit of the whole. The Episcopal Team struggles to maintain a reasonable compliment of members. New members are needed.

Respectively submitted,
Archbishop Claude Miller, Chair

Saint John Hospitals Anglican Chaplain

Saint John Regional Hospital
Saint Joseph's Hospital
Department of Spiritual and Religious Care

I have been in my position as Anglican Chaplain at the Spiritual and Religious Care Department at Saint John Regional hospital and Saint Joseph's hospital for over 2 years as of present. In that time frame we have seen a change in the position of our office at Saint John Regional and the Anglican chaplain's office has been moved to 5AN in the Heart and Cardio Care Unit. This was done at request of the Cardio Care Out-Patients unit to keep their offices and workers together in the 5BS unit where our office was formerly located. The office was moved in January of 2012 and notices were put up for all visiting clergy and the transition went very smoothly.

From our records I see that in the past two years there have been 93 services of Holy Communion for Special Circumstances with 136 people receiving communion, 43 persons were anointed while patients here at the hospitals but there were no baptisms or weddings. There are about an average of 15-20 visits per day that I do here at the Regional as well as visits to long term patients at Saint Josephs. Another direct change is the chaplain is no longer responsible for on-call weekends and our director; Pam Driedger has recruited pastors and Lay visitors from the local community as on-call chaplains. She has done some training with them putting them on schedules and staying in direct contact with them and now they cover evenings and weekends which makes it much easier on our Chaplains. These on-call chaplains carry pagers and cell phones and cover any emergencies that are not covered during regular working hours so now our hospital has 24 hour coverage for Chaplaincy through our Spiritual and Pastoral Care

Department on-call Chaplains

There are monthly Spiritual and Religious Care Advisory meetings that I attend here as well as Spiritual and Religious Care Advisory meetings at St Joseph's. The chaplain also attends board meetings with the director of Spiritual Care, Pam Driedger for the Regional and Rick Benson, director at St Joseph's as well as chaplains from the other denominations. I am also attending meetings of the Saint John Deanery Association with fellow clergy and there is also a Chaplain Support Committee attended by our Archdeacon Stuart Allan and 2 other local clergy. Our chairperson, Margaret Formby as stepped down this past summer and I would like to take the time to personally thank her for her many years of devoted service as chair of the Chaplaincy Support Committee.

One of the things that we have successfully been able to do is bring back our weekly church services in the chapel at the Regional. Every Wednesday at 12:30 we have a Christian non-denominational service that is led by all 4 chaplains rotating leadership and we have music and singing led by volunteers from the community. We have printed brochures and posters explaining the work of our Spiritual Care dept and names and contact information of all chaplains making us more visible to patients, visitors and staff. Our director has moved her office right besides and connected to the chapel making it easier for people to connect with her and our department. As chaplains we are taking on local projects outside our chapel with prayer baskets and mantras and finding new ways of leaving prayers every month which makes our work here so much more visible to everyone. We have also become more involved with the hospital and doing different services in our chapel including memorial services for staff, working with the Neo-Natal staff to do services for lost babies and also more services in connection with special holidays and traditions. We celebrate Spiritual Care Week in October with special events and cake to make our department connect and

Proclaiming the Gospel of Jesus Christ for the making of disciples

open communications between us and patients, visitors and staff. I continue to work very closely with our Anglican Diocese and Archbishop Claude W. Miller, our Spiritual and Religious Care Department, our own Archdeacon and Support Committee and our Hospital Advisory Committees to assure that we offer complete pastoral care for all our Anglican patients.

With our new "Privacy Laws" I am not permitted to tell of any patient being admitted without their direct permission so I ask all priests to again remind all their congregations to be aware of this when entering the hospital. Our Anglican lists are not done by the chaplaincy but by the Admitting Department and upon being admitted to the hospital the patients will be asked three questions concerning their religious affiliation: What denomination they are associated with? Do they want a visit from the chaplain or minister/priest? And do they want their name to appear on the Anglican list of patients? If for some reason people do not answer yes to all these questions they don't appear on my list and I may never know that they are here at the hospitals. Sometimes it is easier if any clergy who knows of someone being in the hospital to personally let me know directly that a person has been admitted so I don't miss them during their hospital stay.

I will continue to try and keep all priests and clergy aware when members of their congregation are here by e-mail and telephone when the patients desire to be connected. Where I find there is no parish or church affiliation, I will provide our patients with the name and telephone numbers of churches, parishes and priests in their immediate areas. I will continue to provide pastoral care at both hospitals and I ask for your continued support in this very important ministry. I am quite confident that we will do all that we can to make the patients stay in our hospitals here in Saint John a very meaningful experience by our visits and lifting them up in prayers and providing services of anointing and holy communion during their stay. My telephone number here is 648-7078, my pager number is 646-3913 and my e-mail address is Ellen.Curtis at HorizonNB.ca and please get in touch with me any time that you may need the assistance of the chaplain.

Respectfully submitted,
The Rev'd Ellen Curtis
Anglican Chaplain

MISSION AND OUTREACH

The on-going progress of the Mission and Outreach Team of Diocesan Council, of much good work it had begun, has been stalled. This was nobody's fault; it was the result of a significant loss in and changeover of its membership. Prior to this, a key factor in the effectiveness of this Team over the recent past years has been the significant place of prayer together and biblical reflection at Team meetings. Naturally, individual prayer, outside of meetings, was also happening.

Yet, praying and listening to God when gathered together along with learning of God through the scriptures is crucial to 'doing mission'. We continue to work out that 'doing mission', being 'mission-minded' so that mission is the general perspective in all that we do, does not come from focussing on mission itself but by only focussing on God, in Jesus Christ, first and foremost.

Proclaiming the Gospel of Jesus Christ for the making of disciples

In the first year of this past 'term' (since the last Synod in 2011) the team continued to work on developing Mission Teams for use in the diocese, observed (and desired to help with) any possible impact of the Church Planting Report, strengthened connections with the various ministries under its overview and sought to further concerns of PWRDF such as refugee sponsorship.

The second half of the 'term' felt the greatest impact in the changeover of leadership and membership. Effectively the Team is in a re-grouping mode and will solidify its membership and mandate after the inevitable impact of Synod and therefore of a new Diocesan Council which fundamentally but not exclusively governs its membership. On behalf of the Team and the Diocese I would like to express a sincere 'thank you very much' to past members and especially to recent past Chairs Paul Ranson and Anna Caines along with Vicars Hodge, Team Archdeacon, who has moved to another diocese, for their faithful, effective and caring service.

Anglican Church Women (ACW)

The ACW purpose is to unite women in fellowship, study and offering which will deepen and strengthen their own spiritual lives and lead them into Christian service in parish, community, diocese, nation and the world. It is also to work for and sustain an informed interest in the mission of the church.

We carry out our purpose by supporting the Council of the North, Camp Brookwood, Camp Medley, School of Church Music, Paul Jeffries, Farraline Home, 2 foster children, Threshold Ministries, the Anglican Foundation, SAMS South American Missionary Society), Bishop McAllister College, Food Banks, Coverdale Place and we now sponsor a child at Bishop McAllister College.

We attend and assist at the Farraline Garden Party in August and will be supporting the Bazaar and Auction with donations for the silent auction, crafts, bake table and white elephant table as well as attending the dinner. Many of our members will be working at this event.

We plan a Quiet Day at Camp Medley each year. On this day we enjoy fun and fellowship, when we celebrate Holy Communion and enjoy interesting speakers.

Deanery Meetings are now starting. I attended the first one for this year in Plaster Rock, September 11. There are 8 Deaneries and although our membership is down and we find it difficult to get officers, each ACW Deanery has an interesting program and contributes generously to our Missions.

Companion Diocese Committee

The Companion Diocese Committee meets four times a year. There is an active membership of seven people who work to further our relationship with the Diocese of Ho, Ghana and to keep our diocese informed and engaged with the life of the church in Ho.

The Corn mill project has been ongoing and will continue to grow in the Diocese of Ho. Our funding for that project is complete. Any funds left from the corn mill project have been used to help build a synod office in Ho for Bishop Matthias and school administrative staff.

There have been two Mission trips to Ho. The first was in 2011 and in March 2013 Canon George Porter led a group to Ho to help begin the building of the synod office. Both trips were very successful and the welcome and gracious care given to the travelers by Bishop Matthias was phenomenal and has led to many wonderful friendships.

The Diocese of Ho celebrated ten years as a diocese in September as well as it being the tenth anniversary of Bishop Matthias's ordination as Bishop. Although we did not have anyone in our diocese attending the services and celebration in Ho we sent our best wishes and a banner created by Betty Kennett to Ho to commemorate this special occasion.

In June 2011 our diocese with the recommendation from the Companion Diocese Committee extended our relationship with Ho for another five years. This enables us to strengthen our relationship with Ho and to finish any plans we had initiated.

Coverdale Centre for Women Inc.

Coverdale was founded in 1923 as the Interprovincial Home for Young Women by the Anglican, Baptist, Presbyterian, and United Churches. The home was originally located in Riverview NB on the Coverdale Road. It served as a minimum Security Correctional Facility for women 16 years and older from the Maritime Provinces who were sentenced to terms of less than three years. This home was a pioneering venture in working with women in the criminal justice system in providing Educational and Rehabilitative programs.

In 1976 Coverdale transitioned from institutional-based to a community-based agency with the main focus on Intervention and Prevention programs. The ultimate goal is crime prevention whereas the immediate goal is our mission of working with the community to create a safe environment with empowering opportunities for women of all ages. Coverdale Centre in Saint John, NB is a non-profit Christian Ministry that is committed and dedicated in raising the profile of women's issues through a continuum of services that has aided marginalized women over a span of 30 years. The staff at Coverdale strongly believes that all women have the right to be treated with dignity and respect and are capable of healing, changing and growth.

Coverdale Centre in Saint John plays a key role in our community by acting as a resource on issues affecting women and collaborating in many committees on the development of policies related to issues our women are challenged with such as addictions, prostitution, mental health, criminal, homelessness, and family/partner violence.

Currently Coverdale has three community residences: CBRF (Community Based Residential Facility) our Halfway House has 14 beds and provides 24-hour staffing for women from the

Proclaiming the Gospel of Jesus Christ for the making of disciples

Federal or Provincial justice system. The case plans and programming offered to the women who reside at this facility are in collaboration with parole/probation with the goal to transition the women back into their community with the tools for success. The Emergency Shelter provides a short-term accommodation with a 10-bed capacity. The facility offers a safe, warm and secure place for homeless women and the opportunity to work with the Director on case plans/programs with the goal of finding affordable housing. The average stay at the shelter is 90 days so the women are comfortable and have accessed all the resources needed for their transition.

Hope Bridge Home is a satellite apartment for women to continue on a transition to their own place. At this site there is no staff present but the women stay in touch with the Centre. It is available to women who have actively worked on case plans but sometimes continue to need a little more support/ and or affordable housing has not been available.

Coverdale Centre is open Monday-Friday from 8am-4pm daily. At the Centre we provide programs, case management meetings, hot lunches open to the public as well as special events. Coverdale is actively involved with providing the women we serve the best practices and resources to assist in successful transitions. Coverdale advocates for all women with the facilitation of information while providing proactive programs and supports to assist the women in making decisions and choices that will have a positive impact in their lives.

Parish Nursing

There are 3 qualified Parish Nurses active in ministry in Anglican churches in the Diocese. They are: Isabel Cutler (Christ Church Cathedral), Beth Lawson (Trinity Anglican Church, Saint John), Nancy Wiggins (St. Margaret's Anglican Church, Fredericton). They report to their Priest and Vestry on a regular basis. They function with the assistance of health committees.

Parish Nurses are active in three other areas: Foundation for Life projects, Parish Nursing Education programs, and the Canadian Association for Parish Nursing Ministry (CAPNM).

A Foundation for Life: Isabel Cutler and Nancy Wiggins have partnered in 2012 and 2013 and received funding from FFL. We have visited parishes in the Fredericton Archdeaconry and presented regarding Health Ministry and Parish Nursing. We have usually been invited to meet with the clergy and interested parishioners. We have spoken in the regular service in several parishes. We have spoken to the clergy at a Deanery meeting. Before our first proposal was submitted, Isabel presented to the Diocesan Synod in October, 2011. Recently we partnered with Raynemaker Productions and a 7 minute video on Health Ministry was produced for wide distribution. The title is: Health Ministry: A Circle of Care for your congregation. We intend to meet with clergy again this fall and plan to offer a couple of workshops to bring together those who are developing a health ministry in their parishes. Our mandate is to explain health ministry and to assist parishes to start their own.

Parish Nursing Education Program: The second N.B. education program was held in 2011-2012. Isabel and Nancy were involved as instructors and as mentors for the January to August, 2012 practicum in the churches. We mentored 5 RN's in Fredericton in Baptist, Roman Catholic and United churches, working with Roz Thompson from Brunswick St.

Proclaiming the Gospel of Jesus Christ for the making of disciples

Baptist Church. The program was completed by 7 Parish Nurses and 1 health committee member in November, 2012. The latter was Faith Cormier from St. Margaret's.

A third program is getting underway this fall. Due to the illness of our Provincial Director, Sr. Ernestine LaPlante, the Education Committee of NBPNM is coordinating the first term. Nancy will be introducing the curriculum and teaching a couple of modules. It is likely that Isabel and Nancy will be called upon again as mentors in January, 2014. There is an Anglican RN from Shediac in this class. At present 6 RN's have been accepted into the program. One of these RN's is from Nova Scotia. They are from Baptist, Roman Catholic, Wesleyan and Anglican churches.

We provide follow-up of the courses through support group meetings, a yearly retreat and recently in Fredericton, a monthly or bimonthly get together.

CAPNM Annual Meeting: When the PN's in the West could not plan the yearly AGM, Beth Lawson took on the chairing of the planning committee for the AGM in Saint John, June, 2013. Beth did this with the support of PN's around the province with little advance notice. The meeting was a great success. It also was a financial success due to the support of our sponsors. Profits from annual meetings are shared 50:50 with the national organization. Two PN's from NB are Board members of CAPNM; one is Vicky Knight (St. Anthony's RC); the other is Roz Thompson (Brunswick St. Baptist Church).

Monies from the conference go to our provincial organization, NB Parish Nursing Ministries. We also pay a membership fee; health committee members and others may also join. The membership is currently 20. Three members from NS have joined us.

The above briefly sketches our current status in Parish Nursing in N.B..

Nancy Wiggins, Parish Nurse

The Primates World Relief and Development Fund (PWRDF)

PWRDF works in partnership with organizations in Canada and throughout the world to support people-centred development that improves the quality of daily life for vulnerable populations, promotes self-reliance, and addresses root causes of poverty and injustice. PWRDF is active in 22 countries, and also accompanies Uprooted People – including victims of disasters, refugees, internally displaced people, and migrant workers. PWRDF partners are drawn from Anglican churches, ecumenical organizations and community-based groups. Partners address the root causes of problems and accompany communities as they move beyond survival into sustainable development.

PWRDF's work focuses on Food Security, Health Care, Humanitarian Relief and Refugee Support, Poverty Reduction, and Human Rights and Peace work with its 58 partners.

Current Projects:

- Emergency Relief in Syria - PWRDF has responded to two appeals for Syria through the Canadian Foodgrains Bank and the ACT Alliance. But the refugee crisis in the region continues to expand. PWRDF continues, through CFGB and ACT, to provide food, hygiene kits, bedding, support to health workers, provision of psychosocial counselors, and

support for students to continue their education and cash for work initiatives to relieve financial strains on hundreds of families.

- **Sharing the Sacred Gift of Water:** A Canadian First Nations Community of about 2200 people located about 100 km north of Red Lake Ontario where running water and indoor plumbing do not exist for most residents. The Pikangikum water project – will provide water and wastewater systems to homes, and provide training to four residents plumbing skills to maintain the water system. OWRDF is working with Frontiers Foundation to raise additional funds to complete the project.
- **Opening New Worlds to HIV Orphans:** The John Wesley Community Center (JWCC), a PWRDF partner in Etwatwa, South Africa provides a myriad of opportunities for HIV and AIDS orphans in the region, including sports, music, dance, computers, art, and, perhaps most importantly, reading. The importance of literacy cannot be overemphasized, and Canadian society has done a good job of promoting that message from “Reading is fundamental” ads to the prevalence of e-readers on the subway when one is traveling to work.
- **Poverty Awareness:** The PWRDF Ottawa Group contacted parishes in every Canadian diocese and urged them to come up with their own ways to inform members about poverty at home and abroad, and to raise awareness about how PWRDF helps to alleviate the social injustices that poverty causes.
- **Teaching Language and Culture with Puppets:** The Kanien’kehá:ka Onkwawén:na Raotitíohkwa Language and Cultural Center (KORLCC), a PWRDF partner in Kahnawake, Quebec, uses puppets to teach children as well, but instead of teaching their ABCs and 1-2-3’s, they are teaching the Mohawk language and culture.
- **Fiftieth Refugee Family Arrives:** In 2009, as part of PWRDF’s 50th anniversary celebrations the Refugee Network– made up of refugee coordinators and committees in the 15 dioceses that hold Private Sponsorship Agreements with Citizenship and Immigration Canada (CIC) proposed that PWRDF take up the challenge of sponsoring 50 refugee families for settlement in Canada. A project was developed, staff hired and an agreement was negotiated with CIC that included matching seed money for those interested in sponsoring one of the 50 families.
- **PWRDF Assisting Congolese Refugees Arriving in Uganda -** Mohammed Adar, the UN refugee agency’s country representative in Uganda, said “The situation is very dire. It’s overwhelming... given the massive arrivals of these refugees, and sudden number of this nature, in an area with very limited preparedness to extend humanitarian assistance.” Uganda already hosts more than 200,000 refugees and asylum seekers, over 60 percent of whom are from DRC.
- **Sri Lanka Refugees:** Since 1984 PWRDF has partnered with the Organization for Eelam Refugees Rehabilitation (OfERR) that accompanies the approximately 100,000 Sri Lankan refugees[1] who fled the civil war in their country and sought refuge in the southern Indian state of Tamil Nadu. OfERR was established “by the refugees, for the refugees” to address their community development needs and to prepare and equip the refugees to eventually return to their homeland. Over the years PWRDF has supported a range of integrated community development projects that OfERR has implemented in the 113 refugee camps scattered throughout the state. With the opening of an office in Sri Lanka in 2004 OfERR was able to reach out to communities impacted by the Asian Tsunami in

both countries to offer relief and rehabilitation support, and to work with the many Internally Displaced Persons (IDPs) in Sri Lanka. PWRDF has also supported OfERR's Sri Lankan work.

Saint John Seafarers' Mission

The Anglican Church has had a longstanding ministry to seafarers at the port of Saint John. Canon Howard Anningson exercised an effective ministry for many years until his retirement in 2012. He conducted a weekly mid-day bible study -making himself available to the seafarers. The Rev'd Rob Salloum has continued this ministry and is the current Chaplain to seafarers.

Both Howard and Rob have exercised a ministry of presence. With ships arriving periodically throughout a given week, ministry occurs serendipitously at the mission. The Chaplains have participated in Memorial services and are an encouragement to board members, port authority staff workers and the many folks who choose to frequent the mission during their stopovers.

The Rev'd Rob Salloum, Chaplain

PARISH DEVELOPMENT AND SUPPORT

Over the last two years the Diocesan Council Team has been working hard on various tasks such as: Warden's Day and Foundation For Life. We have also completed a team self evaluation exercise. I would like to thank the team for their work, support and efforts during the period of our mandate.

Proclaiming the Gospel of Jesus Christ for the making of disciples

The PSDT's major project over the last two years continues to be the development of "A Foundation For Life." This program began in 2010 and its mission statement is: "To encourage parishes, groups of parishes or deaneries to undertake innovative, risk taking projects that will lead to spiritual/numerical/financial growth for the making of disciples." With the assistance of Cindy Price, our graphic designer, a brochure continues to be a part of it, with updates each year in terms of stories from parishes who have benefitted from this ministry. Criteria for applications were developed by the team and upon receipt of the applications the team decides to whom the grants might be made and then we pass the information to the Archbishop for his final approval.

The Foundation continues to receive good reception from the Diocese and the amount is consistent and even at times growing from year to year. Various projects were funded ranging from providing electronic equipment (projectors and screens), supporting a family ministry, puppet ministry, service books and websites just to name a few.

Organizing Warden's Days continues to be a major focus of the team's work. These events are an important part of our life together as a Diocese and in general Wardens say that they have found them valuable. In addition, we have at times made certain events open to parish treasurers as well.

Our 2014 event is booked for March. I would like to thank the Rev'd Bill McMullin and his parish for the use of their church and facilities for our Warden's Day events.

Once again I wish to express my thanks to the team: Pat Drummond, Ted Quann, Brian Spence, Richard Robinson. Jim Knight was also a member for part of the term, but had to resign due to other commitments. David Edwards (our Parish Development Officer) was our guest on an ongoing basis.

Anglican House

Since our last Diocesan Synod, Anglican House - Ten Thousand Villages continues to serve not only the parishes and the Diocese but also the community as well.

We continue under the faithful and diligent leadership of our manager, Kevin Richardson and his staff to daily continue this ministry in our Diocese. We believe we are the only Anglican Bookstore in existence in Canada, despite the amount of books and other materials available in the internet world.

The decline in the number of congregations in our Diocese as well decline in people and congregational use of the bookstore has had an impact on our operations. The economy in general has also had an impact on our sales in the Ten Thousand Villages component of our store. However, on a more positive note, we are doing some Canadian Bible Society product sales as well meeting some needs of the people who traditionally have been patrons of the Baptist Bookroom which has been closed.

We continue to provide space for Read Saint John for a nominal donation. Read Saint John is a non-profit group under the Council of Laubach Literacy providing literacy instruction for adult learners. The facilities also provide space for a local Weavers Group and office space

Proclaiming the Gospel of Jesus Christ for the making of disciples

for the Parish Development Officer, Archdeacon David Edwards. The Diocesan Resource Center containing over a 1000 different items, is a significant and vital part of our facility.

As we prepare for our 2013 Annual Meeting, we are faced with major decisions concerning our building's long-term repair needs. Thankfully in 2011 our financial situation was in the black thanks in large part to the support of our Diocesan family which includes the continued financial commitment of the Diocese. This certainly enables this Ministry to carry on. The faithful work of the manager and a combination of 7 part-time staff, who are very committed and dedicated members of paid staff and volunteers, providing an integral part of our ability to sustain this ministry. Special thanks to Canon David Kierstead our treasurer and property committee Chair whose faithful support has been a vital part of ministry.

We continue to see ourselves as a mission focused group of individuals reaching out not only to the members of our Diocese but the whole community. We give thanks for God's many blessings and pray for His continued guidance in the future our ministry.

SPIRITUAL DEVELOPMENT

Mandate

The Spiritual Development team's mandate is to oversee, encourage, inspire, and enable communication by and with the groups within our cluster and to organize and/or promote special spiritual development initiatives.

Rule of Life Initiatives

With a continued focus on the first priority of the Nicodemus Project: "We will re-learn what it means to be Christian and Anglican," the Spiritual Development team undertook some initiatives centered around the Anglican Rule of Life (Book of Common Prayer, page 555). These included a series of lay testimonials on applying the rule in one's own life in the NB Anglican and a six-week personal devotional series (with thanks to the Rev. Chris McMullen for developing this). Clergy were also surveyed as to their use of the Rule of Life and if/what they would like to see in further initiatives to promote its use among NB Anglicans.

Back to Church Sunday

The team, along with the help of Diocesan staff, continue to promote and highlight resources for this annual event which encourages all Anglicans to reach out and invite someone to go to a church service with them. Thanks go to the Ven. Geoffrey Hall for undertaking a survey of parish participation in 2012.

Prayer Retreat

Perceiving a yearning of Diocesan leadership to hear what the Spirit is saying to us, the Spiritual Development Team committed to a weekend of prayer, including one day of silent prayer, to pray for our Diocese. The retreat was facilitated by the Rev. Ed and Ruth Coleman and included three preparatory sessions learning to listen to each other and to God. (Thanks to the Colemans and our terrific hostesses in the Parish of Kent.) Every member of the team found the experience personally encouraging and, together, sensed

Proclaiming the Gospel of Jesus Christ for the making of disciples

God, our Good Shepherd, to be very present with us and wanting to guide us. We recommend regular prayer retreats for Council teams, parishes and other groups.

Groups

With respect to the team's role in oversight of the various spiritual formation groups operating in the Diocese, the Team continues to struggle with how to best serve these groups and keep them connected with Diocesan Council. Initial plans for a one-day workshop of all groups with Anglican affiliations to meet and share together have yet to come to fruition. We do praise God for the work of each one.

Finally, I want to thank the members of the Spiritual Development Team for their dedication to encouraging spiritual development within our Diocese in addition to their several other commitments: the Ven. Richard McConnell, the Ven. David Edwards, the Rev. Chris Hayes, the Very Rev. Keith Joyce and the Rev. Chris McMullen. I also give thanks for the Rev. Deacon Robert Brittain, a long-time member of this team up until his death – we miss him at the table.

New Brunswick Anglican Cursillo

The progress of Cursillo in the Diocese has recently foundered due to the lack of Cursillo members willing to accept a leadership position in the movement. The Cursillo Secretariat has less than half the number of members required to operate effectively, and is in need of persons to accept the positions of Assistant Lay Coordinator and Assistant Spiritual Coordinator. The movement needs both renewal and rejuvenation. If you feel called to become involved, please speak to Clyde Spinney or to the Rev. Chris McMullen.

Respectfully submitted,
Clyde Spinney, Q.C., Cursillo Lay Director

Diocesan Choir School

Our Diocesan Choir School has just completed our 56th continuous year of gathering together for a week to practice the art of sacred choral singing, in the Anglican tradition. We continue to welcome choristers from all denomination, and from many provinces in the region. As has been the case for many years, we meet at Rothesay-Netherwood School each July, with youth arriving on a Sunday afternoon, and adult choristers joining us on Thursday evening for the remainder of the weekend. It is a thrill to watch kids thrive in such an environment! We have welcomed kids who arrived having barely ever sung a note, and leave with the experience of having sung Choral Evensong, and several new anthems. Everyone benefits from top-notch instruction from church organists and choir directors.

Of course, many are aware of the dwindling number of parish choirs throughout our Diocese. This fact has not been lost on Choir School. Once, most people who attended in the summertime returned to one or more choirs in their parish. Today, the opposite is true; less than half of choristers who attend choir school have choirs in their home churches. We believe very strongly in the spiritual and expressive value of choral singing, and we are seeking ways to enhance its use in the life of worship in the parish. The very fact that people continue to attend each year, even in the absence of a choir to which they belong, is evidence of this reality.

Proclaiming the Gospel of Jesus Christ for the making of disciples

Like so many major undertakings in the Church, Choir School continues to be an expensive undertaking, and is only possible through generous donations of grants, gifts, etc. We are thankful for those who support the passion and the work we have taken on, and prayerful hope for continued support in years to come.

Diocesan Resource Centre

It is now more than 12 years since the Resource Centre was established at the request of Synod. It is housed upstairs at Anglican House in Saint John and contains numerous books, DVD's, kits and CD's. The aim is to provide materials to assist parishes or parish based groups such as ACW or youth groups in providing Christian education and spiritual development programmes to alleviate the necessity for each parish or group to provide its own expensive resources. The resources may also be borrowed by individuals for personal use.

Recently, because of the rapid changes in technology, it has become necessary to replace older VHS items with CDs and DVDs, where these are available, as well as add new current materials, especially those recommended by parishes or individuals or mentioned in workshops offered in the diocese.

We have been blessed to receive a Federal summer student grant every year to enable us to employ a university student to catalogue and process the newly acquired materials, keep track of overdue items and produce a catalogue of new items. The student has also assisted with the work of the Anglican House bookstore and 10,000 Villages when needed. Caileigh Marks has been our employee for three summers now and has been a tremendous help as she has become more and more familiar with the materials available and the work in all areas of Anglican House. We will miss her greatly when she graduates and becomes ineligible to work under the grant system.

Thank you to the Rev'd Canon David Kierstead, David Wilson, Betty Kennett and Anglican House/10,000 Villages Manager, Kevin Richardson, for the assistance they offer when needed.

Respectfully submitted,
Patricia Drummond+ (Archdeacon of Fredericton and Co-ordinator for the Resource Centre)

YOUTH MINISTRIES

The past two years have brought many blessings and challenges for the Diocesan Council Youth Team. Highlights since our last Diocesan Synod are as follows:

Proclaiming the Gospel of Jesus Christ for the making of disciples

Throughout the spring and summer of 2012 our team focussed on planning an intergenerational diocesan youth consultation, which took place that September. "CrossTalk – Your Voice Counts" ran for two days and brought together a mix of youth and adults from across the diocese. Through worship, discussion and play, the group talked about the challenges and opportunities facing young people in our churches and communities and how the Church might be able to best respond and be involved. At the end of the consultation the following priorities were named:

- 1) Fill the CE position and ensure that all age levels are covered
- 2) Local parishes (or groups of local parishes) hire focused youth workers
- 3) Providing leadership training and leadership opportunities for both youth and adults
- 4) Teach parents how to teach children/youth about the faith
- 5) Encourage inter-generational community building

The Team continues to hold these priorities as our guide moving forward.

Last winter a group of young adults and leaders went on a mission to the Diocese of Ho in Ghana to help with a building project for the diocese. While the building was important, the trip also gave participants a profound experience of community and a deep sense of spiritual growth during their time there. As well, there have been several other groups and individuals involved in mission work, both locally and internationally.

The loss of Liz Harding as Camp Medley director and George Porter as Youth Action Director this year has been keenly felt by the youth team. Both George and Liz have been tremendous assets to the diocese and to the team. We appreciate all of their work and are thankful for their time with us, and we wish them well in the next phase of their ministries.

In late May 2013 The Parenting Courses Training Seminar was held at the Cathedral Hall. This was designed to train those interested in leading The Parenting Children Course or The Parenting Teenagers Course in their own parishes. Response to this event was positive, and the team hopes that these courses will be one way our diocese can continue to reach out to parents. This event was in direct response to priorities 4) and 5) above.

Many youth ministries are up and running throughout our diocese. On a local level, many parishes run Sunday School programs or youth groups, or reach out to the young people in their community. There are individuals working in the area of youth ministry in several parishes and areas. On a diocesan level, the TEC movement in NB has celebrated its 20th anniversary and continues to be a time of deep Spirit-led growth for many young people.

The St. Michael's Youth Conference celebrated its 25th conference in 2012, and also provides a time of learning, community building and spiritual growth for those who attend. Camps Medley and Brookwood continue to provide excellent ministry to youth, helping young people to grow in their faith, make lifelong friends, and grow in leadership skills to equip them for ministry. Reports from both Brookwood and Medley are attached below.

Our team continues to strive to support both youth and adults in continuing and growing ministry with young people throughout the diocese. We are privileged to participate in what God is doing in New Brunswick and beyond.

The Diocesan Council Youth team, at the time of writing, consists of Debora Kantor, Richard Steeves, Rose Steeves, Jonathan Springthorpe and Amanda Longmoore (chair). We hope to grow our team, particularly hoping to find representation from other areas of the diocese. If

you have any questions about what we do or feedback for our team, please don't hesitate to contact us at dioyouthteam@gmail.com.

Camp Brookwood

During the winter of 2010-2011 we experienced heavy snowfall resulting in the front deck caving in. In the spring of 2011 the deck had to be dismantled and reconstructed with support posts closer to the building. The cabins were upgraded with new windows and doors, along with a fresh coat of paint on the inside. Also, the blocking was put back in place as the cabins shifted combined by the breaking down of the cinder blocks. New mattresses (32) were purchases for the camper cabins for the summer of 2012 by parishioners in the parish of WWPA. Limited weather conditions and the unexpected work on the deck restricted the ability to work any other projects. Also, the wet fall of 2012 and spring of 2013 made it almost impossible to get any further work done, other than the closing and opening jobs. The plan for the fall of 2013 is to put a new set of steps leading into the chapel including a wheel chair ramp. With the remaining funds left over from renovations in the kitchen and money set aside for a play centre and a generous donation of \$2200 in the memory of Lyle Giberson a new basketball court will be in place for the 2014 camping season. This money was donated because of Lyle's love for basketball and children.

There is some major work which needs to be completed at Brookwood to ensure the safety and integrity of the property at a cost of \$50,000. The camp is able to operate on a very tight budget, with great support from the churches/parishioners in the deanery of Woodstock. The camp requires assistant outside the deanery in order to complete this necessary work. The camp/board cannot do it on its own.

We have had increasing attendance over the past 3 years but this year (2013) we had a decline in attendance by 17 campers (from 143 down to 127). Sponsorship for 2012 was 32%, and 2013 we had 50% requiring sponsorship. This year the camp struggled to get children in the 12-14 and 13-15 age ranges.

We have had excellent leadership with the staff over the past two years. We struggled this year right up to the opening of the camp to find clergy to cover the 7 weeks of camp, but in the end the camp, through a few individuals hard work, we were able to lined up enough. The plan is to have a schedule to clergy by the end of November 2013 so that they can plan ahead if they are interested to lead the spiritual side of the camp.

Mary Lee Phillips, Chair of the Board
for Camp Brookwood

Camp Medley

2013 was a blessed season for Camp Medley. The organization received a lot of positive feedback from campers and parents about their week throughout the summer. Attached is an appendix containing some of the encouraging notes. Staff underwent rigorous training weeks that included three policy meetings, one legal session, youth boundary training by Horizon Health and The Teen Resource Centre, faith-development with a focus on the theme

Proclaiming the Gospel of Jesus Christ for the making of disciples

of spiritual disciplines, and a seminar on managing difficult behaviour with a solutions based approach. Staff were required to attend morning staff devotions and lead at least one throughout the summer on an assigned theme. There were no camper hospital runs, very little camper homesickness, and lots of happy families.

There was a struggle to maintain numbers but we were able to compensate record low numbers with a strong social media presence to get our message out. Some of Medley's weeks grew from last year: Welcome to Camp, Boy's Adventure, Junior Teen III, and Senior Teen. However, numbers remained quite low during some of the earlier weeks in the season. Camp Medley's accreditation expires next summer but the camp should be in a good position for future recertification. There was continued joint training between Medley and Brookwood staff, which was rewarding for both camp staffs. By taking early initiative, camp was able to secure a solid line up of youth oriented camp nurses and chaplains. Many seeds were planted this summer, which should ensure the future growth of the camp in the years to come.

ARCHDEACONRY COMMISSIONS

During 2012 the Diocese committed itself to a period of self- reflection about the state of our mission and life in general. This took the form of a series of commissions appointed by the Bishop. There was one for each Archdeaconry under the leadership of the Archdeacons with 2 lay and 2 clerical members. Each Commission spent the better part of a year doing its work and final reports were presented to the Bishop in spring 2013. During the process it became clear that an eighth Commission was needed to consider the work of the Synod Office and this was put in place. In addition the Constitution and Canons Committee was asked to review the governance structures of the Diocese to see if there are any areas where changes need to be made in order to facilitate the next steps in the review process, this work is ongoing under the guidance of the Chancellor.

After consideration and modification by the Greater Chapters final reports were published and can be viewed on the Diocesan website. The next significant piece of the process came in May 2013 with a two-day conference at the Villa Madonna under the guidance of Dr. Nancy Mathis from the Wallace McCain Institute at UNB Fredericton. Participants included the Bishop, the Dean, the Archdeacons, the Vice-Chair of Synod, the Diocesan Treasurer and members of the Diocesan Evaluation Task Force invited by the Bishop. The purpose of this event was to discern themes which have emerged from the reports and to begin the process of moving forward towards new ways of doing mission and ministry within the Diocese, while sustaining the good things we already have.

The Bishop made a detailed presentation about his vision for the Diocese in the light of the reports. He suggested that we need to move away from our previous mission statement to the following:

- "To radiate the hope of God and as an unfettered, missional Diocese."
- This was endorsed by the meeting at the Villa and presented to Diocesan Council.
- The results of the consultation at Villa Madonna were formed into three groupings: personal; parochial and diocesan/synodical. They were tabulated as follows:

Subsequent to this, work has begun on moving the recommendations of the various reports forward. As of the date of writing the following responses to the reports are in progress. There may be others of which I am unaware. Some of these initiatives came about during the time before the Archdeaconry Reports, but have been folded into them.

- Some of the Fredericton clusters have begun to work together
- J. Springthorpe has been appointed to a joint post Musquash / Nerepis and St. John
- The Together in Mission feasibility study
- Archdeacon John Robertson's visit for a seminar on Planned Giving
- The Tri-Parish initiative in SJ continues
- Moncton suburban parishes ministry continues
- Rule of Life study material being prepared
- 12 12 12 continues and is being taken to Provincial Council
- The Tobique developing joint ministry with the United Church of Canada
- A review of parish budget support has taken place and a revised method formulated
- Parish Development Officer to consult with territorial Archdeacons re priorities

During the Villa Madonna consultation participants were asked to identify the biggest issues which are or might inhibit the progress of the recommendations made in the Commission reports. The following list emerged as what are considered to be the top six major matters:

1. We lack the belief and commitment to resource God's hope and mission through the Church
2. (There is) fear and lack of trust in each other, God and the process
3. Some do not grasp the severity of the problem
4. Communication is not effective. They are not conversations
5. Priorities are overly self-interested (personal / church / parish / diocese?)
6. Parishes are not committed to a shared vision and community

These have been presented in several meetings and there has been little dissent as far as their accuracy is concerned.

The process continues to move forward driven both by intention and expediency. We remain in the midst of a major period of realignment in the Diocese. It is my view that we need to have greater understanding of what it means to be missional if we are to fully embrace the work that God has for his church in this diocese.

David Edwards (The Ven.)

TOGETHER IN MISSION COMMITTEE for the love of the world

Feasibility Study August-September 2013

Membership: Archbishop Claude Miller, the Ven. David Edwards, Mrs. Irene Adams, the Ven. Geoffrey Hall, Ms. Martha Asselin, Mrs. Phyllis Cathcart, Mr. Gil Carter, Mr. Jim Knight.

The Together in Mission Committee was formed at the call of our Bishop early in 2013 to work with M&M International to conduct a study regarding the feasibility of conducting a diocesan capital campaign. The Committee met several times up to 30 September 2013 when a preliminary report and advice was delivered on the first phase of the project.

The Discussion Document tested several initiatives for support: regional collaborative ministry projects, mission and outreach within the diocese and beyond and support for the wider mission of the Diocese through the Anglican Church of Canada.

A random sample of about 140 individuals were invited to an interview with representatives of M&M to comment on the discussion document outlining proposed initiatives. Four open Forums were scheduled and held providing for clarification and discussion on the proposed campaign. First and foremost among the needs identified was financial support that will be necessary to move forward with work identified as critical and still emerging in various regions of the Diocese through the Archdeaconry Commissions. Regional, on the ground, financial support was to be the main emphasis of the proposed campaign.

The Committee was encouraged by the high level of support expressed by the Study for many of the initiatives proposed. Support for mission beyond our own diocesan context was favourable. A deeper insight regarding the specifics of the proposed plan is reported to be most lacking among those interviewed. Many offered specifics about the gifts they would be prepared to make and a better understanding of gift planning and its opportunities would increase our ability to reach our target needs.

The opinion of our consultants is that while there is considerable support for a campaign, an immediate launch is not advised. A firm foundation for the campaign will be built with follow-up on recommendations provided including: continued development of outcomes of the Archdeaconry Commissions process (action plans), a comprehensive communications plan, building concrete examples of collaborative ministry and starting small to gain support for the Plan.

The situation in which we find ourselves continues to be a need to fund the regional collaboration initiatives that have the potential to revitalize our ministry together and assure a continued Anglican presence in the various regions of the Diocese of Fredericton.

It is the advice of the Committee that the campaign launch not be immediate but that we attempt to move, with a limited number of initiatives in specific areas in order to provide the more concrete examples that are required to build the support needed. With success on the initial recommendations, a smaller test study again in six month's time would provide the assurance needed to proceed.

Geoffrey Hall (The Ven.)

Study Findings

This comprehensive planning feasibility study provided literally tens of thousands of bits of information – including statistical data as well as comments by more than 177 parishioners and clergy from across the diocese. The study tools employed - individual interviews and Open Forums - provided a very thorough and inclusive process.

IMAGE

Overall, people have a favorable opinion of their diocese. Participants stated the **history and tradition within the diocese** as a major strength. The **clergy leadership and Bishop Claude** are highly regarded, as are the **dedicated lay people** and congregational communities.

Participants also had concerns. They view the diocese as an organization that **struggles financially**, especially in rural areas and exhibits **a lack of willingness/ability to change**. The

main issues are **communication, financially struggling parishes, direction and vision from leadership, aging demographics** and vast **geography**.

CASE FOR SUPPORT

In general, the content of the Case for Support was clearly understood by respondents in the face-to-face interviews.

Participants in the study are marginally supportive of the plans with only 52% supportive for all participants. Many felt the case too vague and ambitious at this time.

In summary:

- Many parishes are struggling now and are seeking planning and other support from the diocese.
- There is strong support for the regional collaboration however; more work in this area is required to provide detailed plans.
- Training initiatives, especially lay ministry is highly valued as are mission-focused initiatives such as Reconciliation and Counseling Ministries.
- All infrastructure projects are met with skepticism until further details are known. Most participants feel that there are presently too many buildings.
- Respondents support the National Church needs.

LEADERSHIP

Identifying and engaging leadership and volunteers for a campaign can often be difficult; however, this is not a concern for the Anglican Diocese of Fredericton - adequate volunteer and leadership resources would be available for a financial campaign in the diocese.

GOAL ATTAINABILITY AND FINANCIAL SUPPORT

Overall, participants were not optimistic about the attainability of an \$18 million goal; most participants felt that this amount may be unachievable.

A moderate amount of respondents would make a gift to a campaign.

Almost \$249,000 of gifts was been identified in this study.

Only three major donors were identified in this study.

The average gift amount and total amount identified is considered moderate and limits a campaign goal amount.

M & M International believes that the Anglican Diocese of Fredericton is not positioned to undertake a financial campaign at the present time with this Case for Support.

OTHER

Participants' support for a diocesan financial initiative is below the acceptable level.

Many have left a gift to the church in their will and many more would consider doing so. Most respondents would prefer to leave a bequest to their parish.

Recommendations

It is the opinion of ***M & M International*** that the Diocese of Fredericton is not currently in a position to launch a fundraising initiative in support of the Preliminary Case for Support tested in the Study. In our opinion, it is not the right time to proceed into a campaign. The work of developing a concrete plan which provides the necessary tangible outcomes to parishioners will take time.

M & M International recommends that:

1. Leadership develops and implements a plan to work with financially struggling parishes, as soon as possible.
2. Leadership continues the work of the Archdeaconry Commission Reports to further Regional Collaboration and articulate detailed plans, initiatives and outcomes that will support an Anglican presence in all regions.
 - a) The team develops concrete and viable action plans to achieve the results established as vital to healthy churches.
 - b) The diocese "starts small" with a few successful initiatives. There is a need for people in the diocese to witness success to gain support for this plan.
3. Leadership develops and executes a detailed Communication Plan to ensure that all parishioners have an opportunity to hear about, and participate in, the planning.
4. Leadership develops a transparent financial plan to support the Regional Collaboration plans.

It is M & M International's opinion that if the diocese executes the above recommendations this will build a foundation for a potential campaign in the future.

Report on Parish Support of the Diocesan Shared Ministry Budget

A new approach to Parish Support of the Diocesan Shared Ministry Budget has been developed to address the challenges of the current formula-based system - which has become inequitable, difficult to understand and challenging to adjust for changing circumstances. Keeping in mind the previous direction of Synod and the basic principle of tithing, the new approach is based on the tithing principle with the goal of gradual transition over time to full tithing, while being easy to understand, apply and communicate; is open, transparent, fair and equitable; and is flexible enough to provide for future revisions as well as for individual circumstances.

Over the past several years, the Diocese, including both the Synod Office and all the individual parishes, has been hampered by a previous motion made to Diocesan Synod which effectively froze apportionment rates and made it impossible to adjust to changing circumstances. The proposed new approach was presented and supported by Diocesan Council in September and is being widely communicated to Greater Chapter meetings in October. It is anticipated that full implementation could be effective January 1, 2014. The new approach is not a deviation from 10-10-10, it is a transition. Unless and until the first 10% is achieved - i.e. congregational giving is equal to 10% of family income - the second 10% cannot be implemented successfully. There is a strong need for greater stewardship development in the parishes before this is viable.

The new approach is centred on a floating three-year average of parish income, which will ease some of the fluctuations from year to year in parish revenues.

The new approach is built upon a "tiered" approach, with ranges of parish income assessed at increasing levels of support, starting at the lowest tier of 10%. This supports the principles of 10-10-10.

The new approach is flexible enough to accommodate individual extenuating circumstances, on a case by case basis, without negatively impacting diocesan operations as these extenuating circumstances will be incorporated into the planning process each year.

The new approach is based on standardized parish operating income, is easy to understand, and is easily communicated.

The Proposed Approach:

- Parish operating income over a three year period (e.g. 2010 to 2012) will be summarized and each successive year, the oldest year will drop off and the most recent one added to provide a moving three-year average operating income to be assessed. Parish returns will be reviewed and monitored to ensure that the appropriate income is reported under this operating category.
- Each annual assessment will lag by one year to accommodate the collection and review of financial information from parishes; provide the opportunity for assessment of any extenuating circumstances affecting a parish; update the shared ministry budget support calculations; and facilitate timely communication to support the parish annual budgeting process.

- Operating income is split into blocks, with each subsequent block of income being assessed at a higher rate.
- The first "tier" of income for a parish will be assessed at an initial rate of 10% for all parishes.
- Subsequent levels of income will be assessed at increasing rates developed to reflect that those parishes that are most able to contribute will do so.
- Each parish will contribute to the shared ministry budget based on their ability to do so, taking into account their operating revenue.
- Each year, the "tiers" will be assessed for their ability to continue to support the shared ministry budget and adjusted as necessary.
- As parish income increases, it will be possible to expand the size of the base tier, gradually moving to greater achievement of 10-10-10.
- Prior to implementation, guidelines and criteria for identification, application and assessment of "extenuating circumstances" will be developed and finalized. Great care will be taken to ensure that this provision is not misused.
- An effective communications plan including presentations at the archdeaconry greater chapter level to explain the new approach will be a key component of the implementation process. An explanatory document detailing the calculation will be provided to parishes along with the confirmation of the level of parish support of the Diocesan Shared Ministry Budget on an annual basis.

The success of the new approach is premised on full participation by the parishes, in recognition of the fairness of the model which takes into account extenuating circumstances that may be challenging individual parishes and by the equity created by parishes working together toward financial stability for all. As the Greek philosopher Aristotle said "the whole is greater than the sum of its parts."

This strength is also evident in the principles of "emergence." An example of an emergent structure in nature is the ripple patterns in a sand dune created by wind or water. By working together; collaborating in a variety of ways in the delivery of mission and/or ministry; sharing resources whether financial, physical, or human; and making a commitment to the future of the Diocese, we can be like that emergent structure, causing ripples across the Diocese of Fredericton, gaining momentum and being stronger as a whole than as the sum of our individual parishes.

"From everyone to whom much has been given, much will be required; and from one to whom much has been entrusted, even more will be demanded." (NSRV, Luke 12:48)

Irene Adams

**The 2013 DIOCESAN SHARED MINISTRY BUDGET
AS APPROVED BY DIOCESAN COUNCIL
MARCH 23, 2013**

1. Introduction:

Throughout the development of the 2013 Diocesan Shared Ministry Budget, the underlying principle was to ensure that financial resources were apportioned to support the work of the Diocese, while recognizing the limitations of available funding, 81% of which is provided by Parish Support of the Diocesan Shared Ministry Budget.

The Diocese is entering into a period of significant change and transition from the existing model of ministry to a bold and innovative collaborative ministry model. To support this transition, the Diocese is prepared to realign its resources.

A number of new initiatives are underway or planned for 2013 to determine the future potential of our existing physical assets, to support and develop our active clergy and to improve the way we provide administrative support and services both to the Synod and to the parishes.

Concurrently, it must also be recognized that the Diocese of Fredericton is just one member of the Anglican Community in Canada. As a strong and vibrant partner in our ministry, the General Synod has provided support and resources to aid the Diocese of Fredericton over the years. Our commitment to General Synod of the Anglican Church of Canada has been reviewed in terms of the level of support we provide to global mission and ministry.

The 2013 Diocesan Shared Ministry Budget, as presented:

- Reflects an investment in the future;
- Supports restraint;
- Prepares us for future changes;
- Prepares our Clergy and Lay Leaders.

In the 2013 Diocesan Shared Ministry Budget, funding remains a critical issue.

- 81% of the projected income is dependent on the parishes support;
- 8% is generated through investment income, exposed to market conditions;
- 3% is provided through revenue-sharing from special appeal campaigns and program subsidy by the General Synod;
- 5% is made available by drawing down on bequests, reserves and designated funds;
and
- The final 3% is derived from rental income, program rebates and similar sources.

Mission & Ministry accounts for 19.6% of the budget, the majority of which goes to support the work of the General Synod, and their leadership in international and national activities and causes such as the Council of the North, and Diocesan-wide interests such as the Uganda mission work.

Effective 2013, the “Diocesan Support for National Missions & Ministry,” administered by the General Synod has been increased by \$10,000 annually, to recognize the role that the National Church plays in providing services and reaching out in global mission and ministry on our behalf. Of that support, 20% of every dollar goes towards supporting Council of the North, a mission endeavour within our own country with a strong focus on suicide prevention, a significant issue in our Aboriginal communities.

Administration is the single largest component of the budget, mainly due to staff support roles, retired clergy benefits, and the operation and support of synod infrastructure (41.6% of the total budget). The 2013 Budget includes several one-time expenditures as noted below.

“Payroll Services” includes an additional \$10,000 to purchase and implement new web-based, environment friendly, integrated software that will enhance provision of payroll and human resource services provided to parishes. The system will be developed in 2013 for implementation in early 2014.

“Professional Services” incorporates architectural and other professional studies directed to the potential repurposing of existing Synod infrastructure and Cathedral properties in the amount of \$40,000, included as a one-time expenditure in this budget.

Additions to the “Council Team Administration” budget include \$20,000 to be directed towards a clergy stipend review to ensure a future stipendiary package that is consistent with other jurisdictions, and is fair and equitable, and \$10,000 to fund a pre-retirement conference to prepare clergy approaching retirement age to prepare for their future.

4. **SUMMARY:**

Overall the 2013 budget is reasonable, reflective of reality, concise and supports the work of the Diocese. The Diocese is planning for the future and is making investments in new and better ways to provide not only Ministry, but also administrative services, both to the Synod and to the Parishes.

The budget funds infrastructure studies and enhances Diocesan capacity to provide improved services. With the development of a stipend review and the provision of pre-retirement planning opportunities, the budget supports the development of diocesan clergy.

With the increase in support to the ministry of the General Synod, the Diocese recognizes the role that this partnership plays in our diocesan and parish operations – through providing administrative services and resources that enhance our own efforts in parish development, benefit and pension management, fundraising and global ministry.

It is time to stake our claim in the future by providing the support and resources necessary to take us to the next step in our evolution.

The Diocesan Synod of Fredericton
Notes to the Financial Statements
(Unaudited)
December 31, 2012

1. Nature of operations

The Diocesan Synod of Fredericton represents the administrative and episcopal head of the Anglican Church of Canada operations in New Brunswick. The corporation is a charitable organization within the meaning of the Income Tax Act (Canada) and as such, is exempt from income taxes.

2. Summary of significant accounting policies

(a) Basis of presentation

The Diocese's financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations.

(b) Fund accounting

The Diocese has adopted Fund accounting to classify and report certain aspects of its operations. The specific funds established by the Diocese are as follows:

Internally restricted funds

Provisions for Special Purposes

Special Purpose Funds refer to funds received or allocated from budget for future use or distribution in support of specific endeavours. These funds generally do not accrue any interest benefit and there is no external restriction as to use of capital.

	<u>2012</u>	<u>2011</u>
Other (Schedule 2)	<u>\$ 431,298</u>	<u>\$ 346,348</u>

Designated Funds

Designated Funds are held by the Diocese and are generally limited to use of earnings only. Earnings are distributed or remitted in a manner consistent with historical or specific terms of reference for each fund.

Investment Retained Reserve

The Investment Retained Reserve represents an internal equity position within the investment portfolio which is not available to benefit general operations.

Capital Asset Fund

The Capital Asset Fund reports the assets, liabilities, revenue and expenses related to capital assets.

Externally Restricted Funds

Diocesan Trusts

Diocesan Trusts have been established through estate bequests and are generally limited to use of earnings only. Earnings are distributed or remitted as per the terms of each individual legacy.

Parochial Trusts

Parochial Trusts have been established through funding from individual parishes and their use is restricted as specified by those parishes.

The Diocesan Synod of Fredericton
Notes to the Financial Statements
(Unaudited)
December 31, 2012

2. Summary of significant accounting policies (continued)

(c) Depreciation

Capital assets are recorded at cost and amortized over the useful lives of the assets. The annual rates to amortize assets are as follows:

Buildings	40 years straight line
Office furniture and equipment	5 years straight line

(d) Collections- Antiques

The Diocese maintains collections of antique furniture and books with an insured value of \$76,000. The collections are not capitalized. There were no maintenance expenses with respect to the collections in the current year.

(e) Investments

Investments are recorded at fair value using quoted market prices with changes in fair value recognized as unrealized gains or losses in the net income calculation for the Investment Fund retained reserve. Transaction costs related to the purchase of investments are charged immediately to net income.

(f) Investment earnings

Interest credited to Designated Funds, Provision for Special Purposes, Diocesan Development Fund and Diocesan and Parochial Trusts, is calculated on the balance of capital using a rate of 3.25% (2011 – 3.25%).

Gains and losses realized or unrealized on investment dispositions are credited or charged to the Operating fund in the year of disposition. Periodically, a bonus is credited to other Funds and Trusts on account of net gains realized. In 2012 a 1% bonus of the balance of capital was credited (2011 –0%).

(g) Cash and cash equivalents

Cash and cash equivalents include balances in bank accounts, income related cash balances in investment accounts and guaranteed investment certificates with maturities of one year or less.

(h) Contributed services

Volunteers contribute numerous hours per year to assist the Diocese in carrying out its activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

(i) Revenue recognition

Contributions and other revenue amounts are recognized as revenue if information or estimates are reasonably available and collection is reasonably assured. No revenue is recognized for amounts pledged but not received. Investment income is recognized on an accrual basis, as it is earned.

The Diocesan Synod of Fredericton
Notes to the Financial Statements
(Unaudited)
December 31, 2012

2. Summary of significant accounting policies (continued)

(j) Expense recognition

Expenses are recognized on an accrual basis as costs are incurred. Administration and general expenditures are not subject to reallocation procedures to projects and activities.

(k) Post retirement benefits

The employees of the Diocese participate in a defined benefit pension plan administered nationally by the Anglican Church of Canada as referred to in Note 13.

(l) Use of estimates

In preparing the Diocese's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Significant areas requiring the use of estimates relate to depreciation rates, estimated useful lives of capital assets and the amount of allowance determined for potential non-collection of receivables. Actual results could differ from these estimates.

(m) Financial Instruments

The Diocese considers any contract creating a financial asset, liability or equity instrument as a financial instrument, except in certain limited circumstances. The Diocese accounts for the following as financial instruments:

- Cash and cash equivalents
- Trade and other receivables
- Investments
- Trade and other payables

A financial assets or liability is recognized when the Diocese becomes party to contractual provisions of the instrument.

Measurement

The Diocese initially measures its financial assets and financial liabilities at fair value.

Financial assets or liabilities obtained in related party transactions are measured in accordance with the accounting policy for related party transactions except for those transactions that are with a person or entity whose sole relationship with the Diocese is in the capacity of management in which case they are accounted for in accordance with accounting policies for financial instruments.

The Diocese subsequently measures all of its financial assets and financial liabilities at cost or amortized cost less any reduction for impairment, except for investments in equity instruments that are quoted in an active market, which are measured at fair value, and certain financial assets and financial liabilities which the Diocese has elected to measure at fair value. Changes in fair value are recognized in net income.

3. Impact of the change in the basis of accounting

These financial statements are the first financial statements for which the Diocese has applied Canadian accounting standards for not-for-profit organizations (ASNPO). The financial statements for the year ended December 31, 2012 were prepared in accordance with ASNPO. Comparative period information presented for the year ended December 31, 2011 and the opening statement of financial position as at January 1, 2011 were prepared in accordance with ASNPO and the provisions set out in Section 1501 - First-time adoption by not-for-profit organizations.

The date of transition to ASNPO is January 1, 2011. The Diocese's transition from Canadian generally accepted accounting principles ("previous GAAP") to ASNPO has had no significant impact on the opening net assets as at January 1, 2011 or the statement of operations or the statement of cash flows for the year ended December 31, 2011.

As a result, although the statement of financial position as at January 1, 2011 has been provided, the reconciliations and disclosures required by Section 1501 for the net assets at the transition date, the comparative period excess of expenditures over revenue and the cash flow statements are not necessary and have not been presented in these financial statement notes.

4. Rothesay Collegiate School property

The Diocese has guaranteed loans to parishes from the Anglican Foundation totalling \$309,994 at December 31, 2012.

The Diocese has guaranteed inter parish loans totalling \$645,000 at December 31, 2012.

The Diocese has also guaranteed the debt of a parish to the Bank of Nova Scotia to a maximum of \$650,000; as of May 15, 2013, this guarantee is to a maximum of \$197,000.

The Diocesan Synod of Fredericton
Notes to the Financial Statements
(Unaudited)

13. Employee Future Benefits

The Diocese and its employees participate in a multi-employer contributory defined benefit pension plan (the General Synod Pension Plan of the Anglican Church of Canada). The Diocese also participates in the national Employers Group Benefits Plan (Retirees) which is a benefits plan for retired clergy.

Since sufficient information is not readily available to account for the Diocese's participation in either plan using defined benefit plan accounting, these financial statements have been prepared using accounting rules for defined contribution plans.

The current year pension plan expense for Diocese office and administrative staff was \$46,527 (2011 - \$73,200). The current year pension plan remittance for all Diocese staff and parish personnel including clergy was \$659,416 (2011 - \$639,898). The current year expense for the retired clergy benefits plan under the administration of the national office was \$76,128 (2011 - \$73,759).

14. Budget

The 2012 budget figures are presented for comparison with the actual figures; they have not been subject to review engagement procedures.

15. Related parties

Camp Medley is a Christian youth program offered in New Brunswick that provides residential camping and Christian youth leadership development. The corporation is a charitable organization within the meaning of the Income Tax Act (Canada) and as such, is exempt from tax.

The Diocese appoints all members of the board of directors of Camp Medley. In this capacity, under the definitions of Canadian accounting standards for not-for-profit organizations, the Diocese controls this organization and therefore further information on Camp Medley's operations is required to be presented in these financial statements.

Camp Medley has not been consolidated in the Diocese's financial statements. An unaudited financial summary of Camp Medley at December 31, is as follows:

17. Deferred contributions

In 2010 the Diocese received contributions in the amount of \$472,000 for construction related to Camp Medley. This amount will be amortized to income on the same basis the related asset is depreciated. The changes in the deferred contributions balance for the period are as follows:

	<u>2012</u>	<u>2011</u>	January 1, <u>2011</u>
Balance, beginning of year	<u>\$ 454,300</u>	\$ 466,100	\$ 472,000
Less: amounts amortized to revenue	<u>(11,800)</u>	<u>(11,800)</u>	<u>(5,900)</u>
Balance, end of year	<u>\$ 442,500</u>	<u>\$ 454,300</u>	<u>\$ 466,100</u>

18. Financial instruments

The Diocese is exposed to various risks through its financial instruments. The following analysis provides a measure of the Diocese's risk exposures and concentrations at December 31, 2012.

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Diocese's main credit risks relate to its accounts receivable and guarantees. The entity provides credit to its parishes in the normal course of its operations. There was no significant change in exposure from the prior year.

Details of bond maturities and interest ranges for investments held as at December 31, 2012 are as follows:

	Market Value	Interest Range
One year or less	\$ 14,993	-
One year to five years	\$ 6,915,646	1.22 – 5.18%
More than five years	\$ 3,774,224	3.37 – 11.00%
	<u>\$ 10,704,863</u>	

Liquidity risk

Liquidity risk is the risk that the Diocese will encounter difficulty in meeting the obligations associated with its financial liabilities. The Diocese is exposed to this risk mainly in respect of its interfund loan, term loan, employee savings plan, and accounts payable. There was no significant change in exposure from the prior year.

Market risk

Market risk is the risk that the fair value or expected future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Diocese is mainly exposed to currency risk and interest rate risk.

(i) Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Consequently, some assets are exposed to foreign exchange fluctuations. There was no significant change in exposure from the prior year.

Composition of the total investment portfolio as at December 31 was as follows:

	<u>2012</u>	2011	January 1, <u>2011</u>
Cash	\$ 32,986	\$ 5,450	\$ 626,800
Fixed income	10,551,657	10,934,295	9,728,842
Equities - Canadian	4,395,666	4,014,647	6,348,707
- Foreign	<u>7,890,247</u>	<u>6,926,709</u>	<u>6,069,062</u>
	<u>\$22,870,556</u>	<u>\$ 21,881,101</u>	<u>\$ 22,773,411</u>

(ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Diocese is exposed to interest rate risk on its fixed rate financial instruments. Given the current composition of long-term debt, fixed-rate instruments subject the Diocese to a fair value risk. There was no significant change in exposure from the prior year.

(iii) Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Diocese is exposed to other price risk through its investments quoted in an active market.

18. Financial instruments (continued)

It is management's opinion that the Diocese is not subject to significant amounts of concentration risk as the risk is managed by diversifying its portfolio among asset classes, industry sectors, individual securities and geographical locations.

There was no significant change in exposure from the prior year.

19. Capital management

Management considers capital to be the Diocese's fund balances. The Diocese's objective when managing capital is to maintain financial strength to sustain long term delivery of its core services.

To assist in managing investment capital the Diocese employs a capital management plan, in the form of an Investment Policy Statement ("IPS"), that is reviewed annually by the Finance Committee. The IPS, which establishes policies for management of its investments, dictates the Diocese's approach to growth, credit quality and profitability objectives. The overall objectives in investing the assets of the Diocese are to preserve and enhance the value of capital through adequate diversification in high quality investments and achieve the highest investment return that can be obtained within the level of risk acceptable to the Finance Committee. The following description of the IPS is a summary only. For more information, reference should be made to the IPS document.

Subject to limitations, the IPS investment guidelines outline that the investment fund may invest in any or all of the following asset categories: Equities and Fixed Income. The proportion of investment in each asset class is subject to restrictions including maintaining the following asset mix; 40% - 55% investment in equities and 40% - 55% investment in Fixed Income.

There has been no change in the overall strategy employed during the year ended December 31, 2012.
